On a separate sheet of paper (preferably typed), pitch two shows that you would like to see the Cooper City Thespians produce next year. Please pitch a show from two of the following categories: a One-Act (for competition purposes), a full-length straight play, or a full-length musical. Include cast size, basic plot synopsis, technical needs, and why you think these particular shows will be successful. Be prepared to defend your choices in an interview with the president and sponsor before elections. **YOU MAY NOT CHOOSE TWO MUSICALS.**

As a Cooper City Thespian Officer, you will be a leader and an advocate of our organization to your peers. You have a responsibility to conduct yourself in a way that will maintain pride and excellence in our organization and encourage others to enjoy being involved. The following expectations and standards have been set.

1. Attend regular officer meetings and be on time and prepared.
2. Participate in meetings and will share my input as needed to assist with the development or progress of meetings and activities.
3. Participate in each activity and event associated with the Cooper City Thespians
4. Maintain at least a 2.5 GPA for the entire school year. Should my GPA drop below a 2.5 for any term the sponsor will have the right to place me on probation and suspend my position as an officer. I realize that my academics come before my drama club responsibilities.
5. Thespian responsibilities will not be used as an excuse for not completing schoolwork or for getting out of class.
6. Seek constructive criticism and evaluation of my performance; make every effort to improve myself. I will handle any and all conflicts within the officer team quickly, and keep all conflicts confidential to those immediately involved.

7. Remember that I am a part of a team and that my actions as part of the team will affect the entire troupe. I will maintain a cooperative attitude towards my teammates and the advisor. 8. Remember that this is a large time commitment and it will require involvement and completion of responsibilities outside of school time.

9. Ensure that I am available for all listed activities and events. When time conflicts occur I will notify the advisor, president, and other team members well in advance. I understand that the sponsor has the right to suspend my position if excessive absences occur.

10. Keep all discussions, decisions, and information confidential within the officer board until the information has been shared with the entirety of the club.

11. Encourage member involvement and take an active role in all productions.

12. Abide by all duties as outlined in the constitution, as well as any and all school policies.

**Please attach a current copy of your grades from the 2021-2022 School Year (printed from Pinnacle).**

I have read, studied and understand these commitments and I agree to abide by all of them.
