

# SUNDAY ACTIVITIES

Hello everyone! We are thrilled to be tying the knot in one of the world's most beautiful regions. As such, we highly recommend taking advantage of your Sunday by exploring all that Santa Barbara and its surroundings have to offer. We understand that with all the wine ordered for the wedding, some of us might be "moving at your own pace" on Sunday. That's why we've decided put together a guide of our favorite activities to enjoy before heading back home. We hope to see some of you along the way!

For those feeling adventurous, we suggest venturing up to the Santa Ynez Valley to discover the charming little towns connected by farm roads, offering some of the best wine and food in the country. These towns include Solvang, Los Olivos, Santa Ynez, and Los Alamos. It's really the best time of year to be experiencing the area, everything is in bloom and the weather is perfect.

## SANTA BARBARA

### The Funk Zone

*This is a cool area full of modern food, wine, coffee and much more. We will definitely be dragging ourselves out of bed to get breakfast or lunch at some point in this area! Everything around there is good and its also a cool place to hang out.*

### The Beach

45-99 W Cabrillo Blvd, Santa Barbara, CA 93101

*Make a day of it or walk down in the morning to dive in and cure the hangover.*

### Cold Springs Tavern

5995 Stagecoach Rd, Santa Barbara, CA 93105

*Hours: 11:30am-5:30pm*

*Ancient and iconic BBQ and Tavern deep in the Santa Barbara Mountains. You feel like you got transported a movie when you pull up. It's about 20 minutes deep into the mountains which adds to the vibe. Also on the way to Santa Ynez area if you are headed that way.*

### Horseback Riding at Circle Bar B Stables

1800 Refugio Rd, Goleta, CA 93117

*We have done this before and it was really fun. It's not completely touristy. They have a bunch*

of cowboys working there that teach you how to ride and take you up into the mountains. The area is super beautiful and it's a fun activity if you are in a horse mood.

### **Santa Barbara Wine Tastings**

Tons of good wine tastings to be done in SB area if you don't want to go out to Los Olivos and Solvang.

### **Broad Street Oysters**

418 State St, Santa Barbara, CA 93101

Perfect Lunch/Drinking spot with the best seafood (our favorite is the lobster roll). It's big and half outdoors. Casual and fun.

### **Pipeye Tacos**

Our favorite taco place in the area. We stop here every time we pass through.

### **Helena's Bakery**

Really good breakfast and lunch spot.

Other Santa Barbara Restaurants:
