

AP Physics C / UCONN ECE 1401Q Summer Assignment

Using the OpenStax AP Physics book online, complete the following:

Click [HERE](#) to access the book (or Google: Openstax Physics and then click on View Online on the left side of the screen)

Read Chapter 1 - [Introduction to Physics and the Nature of Science](#)

Read Chapter 3.2 - [Vector Addition and Subtraction - Graphical Methods](#)

Read Chapter 3.3 - [Vector Addition and Subtraction - Analytical Methods](#)

Due the first day of school:

*****to be handed-in - make sure your work is neat, orderly and the final answer(s) are clearly marked*****

- Ch 3.2 & 3.3 [Conceptual Questions #1-12](#)
- Ch 3.2 & 3.3 [Problems & Exercises #1-23 ODD](#) - the if you click on the problem number, it will take you to the answer (but not how to do the problem)

*****Feel free to look through Ch 2 as well - we'll start with this on Day 1 😊***
