Discipline Policy
Mrs. Arriola
3rd Grade

In every classroom there must be a standard of behavior that is expected and understood so that learning can take place. In our classroom this year we will be following four basic principles:

Respect Yourself

- Always do your best
- If you don't understand something, ask!

Respect Others

- Speak when it is your turn but not when it's someone else's turn (including the teacher!)
- Speak and act kindly to your classmates
- Keep your hands and feet to yourself
- Treat others the way you would like to be treated

Respect Property

- Keep your own property neat and tidy
- Take care of school property
- Be careful of others' property

Accept Responsibility

- If you make the mess, you clean the mess
- If you make a mistake, admit it, fix it, and move on

If we, as a class, agree to follow these simple rules, we will have an excellent and productive year. If there is an occasional slip-up, and a student must be reminded of the rules, these are the consequences:

- **Warning**
- **Reflection**
- **Note or phone call home**

In the case of severe behavior, a referral to the principal will be issued automatically.. This would include lying, cheating, swearing, vandalism. bullying, or violence of any kind.

Signed notes and agendas are expected to be returned the following day. Signed notes and agendas will earn students points. Please help your child to be responsible in returning all signed items the following day.
