

2020 MSSL Victor's Cup

This tournament will determine the 2020 MSSL Victor's Cup Champion.

It is a 13 team single elimination tournament.

Each game must see a winner. If the match is tied after regulation time there will be two 15 minute periods added. These periods will be played in their entirety (NOT golden goal or sudden death). If scores are level after extra-time, each team will alternately take penalty kicks against the opposition goalkeeper. If, after five pairs of kicks, an equal number have been scored by each team the shootout proceeds to sudden death. Each team will select their shooters from the players on the field at the completion of the final period.
