**Story:**

Mr May was Born in Portugal [~~2004~~] in the rough parts of Lisbon going throughout his Life he decided to join the Military Called NATO, once he became an Enlisted in the RMP he was given the code name of 'Lisbon'... Lisbon found himself immersed in a world of rigorous training and unwavering discipline. With each mission, Lisbon proved their worth on the battlefield, displaying courage in the face of adversity and unwavering loyalty to their unit. Their leadership skills shone brightly, guiding their team through the darkest of times and ensuring success against insurmountable odds. As the years passed, Lisbon's reputation as a skilled and capable soldier grew, catching the attention of higher-ups within the NATO military hierarchy. Lisbon was promoted through the ranks with unprecedented speed, eventually attaining the esteemed rank of LTCOL. But NATO had Greater plans for Lisbon.

---

But one day he got told to go into the General's office and he got told that he was picked to come into the SCP Foundation to Serve under the ECM and to be appointed as a O-1 Operative and they gave him the code name of **REDACTED** granting him in more opportunities to gain better skills and hone perfection to the skills he already has, 2 months later he sees that he has become competent enough to have the chance to become ECA so he applied for it and got accepted in, one day **REDACTED** was kidnapped in a keen of an eye by CI, they tortured him for hours and got shot in the hands, he said nothing but lies to them, never broke a sweat, this as for was from his skills he honed in O1 giving him the ability to not break when tortured after he was rescued he got hospitalised for a couple months which after he was discharged from the Hospital until he got asked if he wanted to come back, **REDACTED** with a serious expression accepted the offer to work alongside his old regiment Omega-1. After coming back and getting the aspects of Ethics he decided to apply again for Assistant to help out in a more broad way... To be Continued
