

Terms of Service

By accessing or using our products or services, you agree to be bound by these terms and all policies referenced herein. Please read these terms carefully before downloading or using our services. If you do not understand these terms, or do not accept any part of them, please do not use our services.

User-Generated Content

You are solely responsible for your use of our services and any videos, information, messages, and any other content (whether privately transmitted or publicly available) you create through our services (collectively, "User Content"). You retain ownership of your User Content.

Before using this product, you must know and agree that all content in this product is automatically generated by AI, and the Zhiyu platform does not own its copyright. You need to identify whether there is a relevant copyright conflict and use it legally. You know and agree that if your synthesized work is used for illegal purposes and brings legal problems to the original author, you will bear all legal responsibilities alone.

Any videos you make using our services are stored locally on your phone and will not be stored or uploaded to our services/servers.

You understand and agree to comply with all applicable laws related to your use of our services and user content.

You should always ensure that your User Content does not:

- A. contain any content, information or material that infringes any third party rights (including copyright, trademark, confidential information or privacy rights);
- B. violate any applicable laws;
- C. contain any content or material that is offensive, abusive, defamatory, libellous, derogatory, bullying, discriminatory, obscene, violent, graphic, indecent, promotes or encourages violence, terrorism or any other illegal conduct or that may harass, upset, embarrass, alarm, inconvenience or annoy any person;
- D. in any way promote or incite any person to engage in or assist any illegal or criminal activity or anti-social behaviour, or encourage activities that may endanger the safety or well-being of others;
- E. identify any person without their consent, or the consent of their parent or legal guardian if they are under 18 years of age;
- F. disclose any person's personal contact details or invade their privacy;
- G. contain any viruses or other malicious or harmful programs;

In addition, you understand and agree that you will not do or attempt to do, or cause any third party to do or attempt to do any of the following in connection with your use of our Services:

- A. Use our Services or available User Content to access our Services in any manner other than as expressly permitted by these Terms and the normal functioning of our Services;
- B. Use our Services for any unlawful purpose, in an unlawful manner, or in any manner inconsistent with these Terms;
- C. Use our Services in a manner that could damage, disable, overburden, impair or impair our Services, our systems or security, or interfere with other users;
- D. Use any program or other means, including, but not limited to, scripts, spiders and robots, whether manual or automated, to extract, download, index, mine, crawl, copy or circumvent the presentation, operation or intended use of our Services, or any of its features or functions;

- E. Copy, modify, decompile or otherwise interfere with any part of our Services;
- F. Alter or modify all or part of our Services, or allow our Services or any part thereof to be combined with or incorporated into any other program;
- G. Hack or insert malicious code (including viruses or harmful data) into our Services;
- H. Violate our intellectual property rights.

Copyright

We respect the intellectual property rights of others, and we ask our users to do the same. We will promptly process and investigate notices of alleged infringement and will take appropriate actions under the Digital Millennium Copyright Act ("DMCA") and other applicable intellectual property laws with respect to any alleged or actual infringement.

If you find any content on our Services that you believe infringes your copyright, or any other content that infringes your intellectual property rights, please report your alleged infringement to us in writing, including the following information:

- A. An electronic or physical signature of the owner of the copyright or other intellectual property ("Owner") or a person authorized to act on the owner's behalf, and a duly executed authorization from the owner.
- B. A description of the copyrighted work or other intellectual property that you claim has been infringed.
- C. A description of where the material in question is located, including details that will help our staff locate it at a specific location on the Software.
- D. Your address, telephone number, and email address.
- E. A statement by you, made under penalty of perjury, that the information provided is accurate and that you are the owner, or authorized to act on the owner's behalf.

Third-Party Services

Our Services include links to features and services provided by third parties. We do not control such third-party websites or services and are not responsible for the content or functionality of such websites or services. Our inclusion of links does not imply any endorsement or association with their operators. The terms applicable to the use of such third-party services will apply, and we will not be responsible for anything done by you or the third-party service provider as a result of your use of their services. Please note that we do not retain your personal privacy information, such as your account, ID, password, etc., on third-party applications/websites on our Services.
