4. Read the following passage careful and then answer the question that follows

Law is body of rules or principles. These rules or principles aim at maintaining peace, order, justice and defining the right of citizen. They also aim at harmonizing conflicting interest and providing means for punishing wrong doers. In a democratic country where rule if law is established all people are equal under the law .Thus ruler and the ruled must obey the laws of the country. Rule of law states that no one is punishable unless proved guilty. If further calls for the judiciary to provide justice, protect the right of all citizen and settle conflicts. Rule of law therefore, demands the government to run its activities according to the constitution and serve the interest of the majority by providing them with service they need
