

Waskada School Supply List  
2025-2026  
Mrs. Thom  
Kindergarten, Grade One, Grade Two

I have chosen these supplies carefully, asking for specific brands because of the high quality of these products. While an alternative may be slightly cheaper, the quality is often significantly lower. If alternatives are sent, I will unfortunately have to send them home to be replaced with the brand listed below. Thank you for your cooperation! Throughout the year, if your child is not using their materials responsibly (for example, breaking pencils) I will connect with you to send additional supplies.

- 1 backpack, large enough to hold a large library book.
- 1 pair of running shoes (no black soles, no skateboard type shoes, Velcro if your child is still learning to tie their shoes).
- 1 pair of headphones - no wifi, no bud style.
- 1 lunch kit.
- 1 pencil case that is easy to open.
- 20 Dixon Pre-Sharpened Ticonderoga pencils - these sharpen well and last longer.

Please label all items (even individual crayons). School begins Wednesday, September 4th and students attend all day. Kindergarten days are day 1 and day 3. While it is reassuring to have family accompany them on the first morning, it is a good idea to prepare them in advance for the fact that you will only be staying for a few minutes. See you in September!

\*Student fees are \$20.00 /child or \$45.00 per family. We ask that these are paid by end of September.
