Google Advanced Search Worksheet:

1) Write down eight individual words you could use to search for your topic:

1)	2)	3)	4)
5)	6)	7)	8)

2) Write down three phrases you could type into Google search: (keep them short)

1)
2)
3)

3) Circle those advanced search options you will use below:
(Find advanced search under google results by scrolling down, and using settings option)

Reading Level	Exact Match to Phrase	None of these words	Last updated

4) Use the CAPOW method to evaluate websites (on back of sheet), and record bibliographic information of good websites. (Find at least three sources)

Record: 1) Author 2) Title of document 3) date published 4) web address 5) date you visited

Website Evaluation:

C	1) How **current** is the website? 2) What is the latest date published on the site? (often at the bottom) 3) Last revision date more than three years ago? Check another resource...
A	1) Who is the **author** on the website? 2) Are they educated or experienced? 3) If not try another site...
P	1) What is the **purpose** of the website? 2) What is the point of this site? Is it for entertainment, news, or factual content that you could use for research? 3) If it is a entertainment website or someone's personal blog then try another resource...
O	1) What is the **objective** of this website? 2) Is the information of the website one sided, biased, or persuasive? Is it trying to sell you something? 3) If so try another website...
W	1) Does this website have professional **writing?** 2) Check to verify if the website contains a bibliography of references or a comprehensive list to other sources supporting its theme. 3) If there are no references then chances are you should try another site...
