

Dear Families,

As you know the LLCS district has made the decision to move into remote learning. I have thoroughly enjoyed the in person instruction that I have had with your children and feel grateful for the time we've had. I have been prepared for this scenario to occur and want to make this transition to remote learning as easy as possible for all. The following is what we will do daily.

Using your student iPad, please have your child go to the ABCmouse app and click on MY LESSONS. Each day that we are remote, students should complete the lesson for that day. This work should take no longer than 20 minutes per day to complete. When I see that your child has started their lesson I will then give them credit for attendance for the school day. During our time apart this will serve as good practice with our letters and numbers without overwhelming your family schedules.

If you have any questions or need any support troubleshooting during this time please reach out. I am happy to communicate through email, text, or we can chat on the phone. My contact information is below.

Cell phone: (518) 572-7080

Email: kfarr@longlakecsd.org

Thank you and I look forward to being back together soon!
