

The End-User License Agreement for the Mobile Phone Transfer - Synchronous Data Transfer and Reception Software is as follows:

This End-User Software License Agreement (hereinafter referred to as the "Agreement") is jointly entered into by you, as the end user, and Mobile Phone Transfer - Synchronous Data Transfer and Reception Software.

Mobile Phone Transfer - Synchronous Data Transfer and Reception Software understands the importance of personal information to users. Therefore, we have developed this Privacy Policy to help you understand how we process, use, and store information, including personal data. Access to the application and use of the service are governed by this Privacy Policy.

By accessing the application and continuing to use the service, you will be deemed to have accepted the Privacy Policy, and in particular, you will be deemed to have acknowledged our handling of your information and the appropriate legal reasons for such handling as described in the Privacy Policy. We reserve the right to modify the Privacy Policy from time to time. If you do not agree to the Privacy Policy, you must immediately stop using the application and the service. Please read our Privacy Policy carefully.

Please note that in order to comply with the privacy rules, you must notify your conversation partner that you are recording before the conversation begins. Otherwise, you will not be able to use the application.

Mobile Phone Transfer - Synchronous Data Transfer and Reception Software respects and protects the personal privacy rights of all users of the service. Without your prior permission, Mobile Phone Transfer - Synchronous Data Transfer and Reception Software will not disclose this information to any third party. By agreeing to the Mobile Phone Transfer - Synchronous Data File Reception Service User Agreement, you are deemed to have agreed to all the contents of this Privacy Policy.

#### I. User-Posted Content Guidelines

1. The content referred to in this clause refers to any content created, uploaded, copied, published, or disseminated by the user during the use of the service, including but not limited to account avatars, names, user descriptions, and other registration information and authentication materials, or text, voice, images, videos, graphic messages, or automatic reply messages and related linked pages, as well as other content generated by using the account or this service.

2. Users shall not use their software account or this service to create, upload, copy, publish, or disseminate the following content prohibited by laws, regulations, and policies:

(1) Content that opposes the basic principles established by the Constitution;

(2) Content that endangers national security, leaks state secrets, subverts state power, or undermines national unity;

- (3) Content that damages national honor and interests;
- (4) Content that incites ethnic hatred or discrimination, or undermines ethnic unity;
- (5) Content that undermines national religious policies, or promotes cults and feudal superstitions;
- (6) Content that spreads rumors, disrupts social order, or undermines social stability;
- (7) Content that disseminates obscenity, pornography, gambling, violence, murder, terrorism, or incites crime;
- (8) Content that insults or defames others, or infringes upon the legitimate rights and interests of others;
- (9) Information containing other content prohibited by laws and administrative regulations. 3. Users shall not use their accounts or this service to create, upload, copy, publish, or disseminate content that interferes with the normal operation of the "Service" or infringes upon the legitimate rights and interests of other users or third parties, including:

- (1) Content containing any sexual or sexually suggestive material;
- (2) Content containing abusive, intimidating, or threatening material;
- (3) Content containing harassment, spam, malicious information, or deceptive information;
- (4) Content involving the privacy, personal information, or data of others;
- (5) Content infringing upon the reputation, portrait rights, intellectual property rights, trade secrets, or other legitimate rights and interests of others;
- (6) Other information containing content that interferes with the normal operation of this service or infringes upon the legitimate rights and interests of other users or third parties.

## II. Usage Rules

1. Any content transmitted or published by users in or through this service does not reflect or represent, and shall not be deemed to reflect or represent, the views, positions, or policies of this software, and this software assumes no responsibility for such content.
2. Users shall not use their accounts or services on this software for the following purposes:
  - (1) Submitting or publishing false information, or stealing another person's avatar or information, or impersonating or using another person's name;
  - (2) Forcing or inducing other users to follow, click on links, or share information;
  - (3) Fabricating facts or concealing the truth to mislead or deceive others;

- (4) Using technical means to create fake accounts in bulk;
- (5) Using accounts or services to engage in any illegal or criminal activities;
- (6) Creating or publishing methods or tools related to the above-mentioned behaviors, or operating or disseminating such methods or tools, regardless of whether these behaviors are for commercial purposes;
- (7) Other behaviors that violate laws and regulations, infringe upon the legitimate rights and interests of other users, interfere with normal operation, or are not expressly authorized by the service.

3. Users are fully responsible for the authenticity, legality, harmlessness, accuracy, and validity of information transmitted using their accounts or services. Any legal liability related to the information disseminated by users shall be borne by the users themselves and is unrelated to this software.

If this causes damage to any third party, the user shall compensate accordingly in accordance with the law.

4. The services provided by this software may include advertisements. Users agree to the display of advertisements provided by third-party suppliers and partners during use. Except as expressly provided by laws and regulations, users shall be solely responsible for transactions made based on such advertising information.

This software shall not be liable for any loss or damage suffered by users due to transactions made based on such advertising information or the content provided by the aforementioned advertisers.

### III. Other

#### 1. Information Use

a) Access to the address book by the Mobile Phone Transfer - Synchronous Data Transfer and Receiver requires your consent. This is only for convenient local quick dialing of contact phone numbers and will not upload contacts to the server. If not permitted, the Mobile Phone Transfer - Synchronous Data Transfer and Receiver will not be able to read your address book or access contact numbers, but you can still enter numbers to make calls.

b) Mobile Phone Swap - Synchronous Data Transfer and Receiver will not provide, sell, rent, share, or trade your personal information to any unrelated third party unless prior permission is obtained from you, or unless the third party and Mobile Phone Swap - Synchronous Data Transfer and Receiver provide services to you individually or jointly, and after the service is completed, the third party will be prohibited from accessing all such information, including information they previously had access to.

c) Mobile Phone Swap - Synchronous Data Transfer and Receiver also prohibits any third party from collecting, editing, selling, or disseminating your personal information by any means. If any Mobile Phone Swap - Synchronous Data Transfer and Receiver platform user engages in the above activities, Mobile Phone Swap - Synchronous Data Transfer and Receiver has the right to immediately terminate the service agreement with that user upon discovery.

d) For the purpose of serving users, Mobile Phone Swap - Synchronous Data Transfer and Receiver may use your personal information to provide you with information that may be of interest to you, including but not limited to sending you product and service information, or sharing information with Mobile Phone Swap - Synchronous Data Transfer and Receiver partners so that they can send you information about their products and services (the latter requires your prior consent).

## 2. Scope of Application

This Privacy Policy pertains to the personal information you provide when using the Mobile Phone Transfer - Synchronous Data Transfer and Receive Files platform, as requested by the platform.

You understand and agree that the following information is not subject to this Privacy Policy:

a) Keyword information you enter when using the search services provided by the Mobile Phone Transfer - Synchronous Data Transfer and Receive Files platform;

b) Information collected by the Mobile Phone Transfer - Synchronous Data Transfer and Receive Files regarding your activities posted on the platform, including but not limited to participation in activities, transaction information, and review details;

c) Violations of laws or the rules of the Mobile Phone Transfer - Synchronous Data Transfer and Receive Files platform, and measures taken against you by the platform.

3. Information Disclosure In the following circumstances, Mobile Phone Swap - Synchronous Data Transfer and Reception File will disclose all or part of your personal information based on your personal wishes or legal requirements:

a) Disclosure to third parties with your prior consent;

b) Sharing your personal information with third parties as necessary to provide the products and services you request;

c) Disclosure to third parties or administrative or judicial bodies as required by law or by administrative or judicial authorities;

d) Disclosure to third parties if you violate relevant Chinese laws and regulations or the Mobile Phone Swap - Synchronous Data Transfer and Reception File service agreement or related rules;

e) If you are a qualified intellectual property rights complainant and have filed a complaint, disclosure to the respondent at their request will be made to facilitate the resolution of potential rights disputes;

f) In a transaction created on the Mobile Phone Swap - Synchronous Data Transfer and Reception File platform, if either party to the transaction has performed or partially performed their obligations and requests information disclosure, Mobile Phone Swap - Synchronous Data Transfer and Reception File has the right to decide to provide that user with necessary information such as the contact information of their counterparty to facilitate the completion of the transaction or the resolution of disputes.

g) Other disclosures of Mobile Phone Transfer - Synchronous Data Receiving Files as deemed appropriate by law, regulations, or website policy.

4. Information Storage and Exchange Information and data collected about you by Mobile Phone Transfer - Synchronous Data Receiving Files will be stored on the servers of Mobile Phone Transfer - Synchronous Data Receiving Files and/or its affiliated companies. This information and data may be transferred to countries or regions outside of your country or region of residence, or outside the location where Mobile Phone Transfer - Synchronous Data Receiving Files collects information and data, and may be accessed, stored, and displayed outside of those countries.

Mobile Phone Transfer - Synchronous Data Receiving Files guarantees that its upgrade modules do not contain any malicious code intended to damage user computer data or obtain user privacy information, nor does it contain any functional code that tracks or monitors user computer and/or operational behavior, and will not monitor user online or offline behavior or leak user privacy.

## 5. Information Security

Mobile Phone Transfer - Synchronous Data Receiving Files has security protection functions, but please also note that there is no such thing as "perfect security measures" on the information network.

## 6. How We Handle the Personal Information of Minors

a) If you are a minor under the age of 14, please read this policy under the supervision of your guardian before using our products and/or services, and ensure that you have obtained your guardian's explicit consent before using them.

b) For cases where we collect personal information of minors with parental consent, we will only use or disclose this information as permitted by law, with the explicit consent of the parent or guardian, or when necessary to protect the minor.

c) If your guardian does not agree to your use of our services or provision of personal information to us in accordance with this policy, please immediately stop using our services and notify us promptly.

This Agreement is copyrighted by this software company, and this software company reserves all rights to interpret this Agreement.
