Principal's Welcome

Dear Penrose Families,

It is with great pleasure that I welcome you to the Penrose School community! I feel extremely fortunate to be the principal of a school with such amazing students, a motivated and dedicated staff, and families who work with us to create an environment that facilitates student learning.

At Penrose, we believe every child has the potential to achieve greatness. Our dedicated staff works hard each day to provide a safe, supportive, and engaging learning environment where students feel valued, challenged, and inspired. Our team is committed to ensuring that our students receive the best possible support to learn and grow.

We strive to create a learning atmosphere that celebrates diversity and encourages students to embrace their individuality. Our goal is to empower our students to become confident, compassionate, and resilient individuals, equipped with the skills necessary to succeed in an ever-changing world.

We believe that a strong partnership between home and school is crucial for student success. We encourage all parents and guardians to actively engage in their child's education, participate in school events, and maintain open communication with teachers and staff. Your involvement makes a significant difference in your child's educational journey.

Together, we will create a school community where every student feels valued, respected, and empowered to reach their full potential. I am excited to witness the growth and achievements of our students this year and look forward to working collaboratively with all of you.

Finally, I would like to express my gratitude to all the parents and guardians for entrusting us with the education of your precious children. It is a responsibility we do not take lightly, and we are honored to be partners in their academic and personal growth.

Please do not hesitate to reach out to me or any member of our team if you have any questions, concerns, or suggestions. Together, let us create a supportive and enriching environment where every child can thrive.

Sincerely,

Carol Casciato, Principal

- At the start of the year, complete the [Parent/Guardian Location Form](#).
- Provide medical and insurance information for emergencies.
- If there are custody arrangements, submit a Court Order or legal agreement to the school. This ensures only authorized individuals can pick up your child.

Lunch is provided for all students, or they may bring their own.

Please note: *Glass containers and soda cans are not allowed for safety reasons.*

Attendance

Consistent, on-time attendance is essential for student success. Students must attend school daily and stay for the full school day to receive the maximum benefit from instruction. This aligns with the School District of Philadelphia policy and Pennsylvania state law.

What to Do If Your Child Is Absent

- A written excuse must be submitted within 3 days of your child's return.
- **Submit an Absence Excuse Form** [Use District [Absence Excuse Forms](#) or indicate the school's process]
- Phone calls do not replace a written excuse.

Excused absences include:

- Illness or quarantine
- Recovery from an accident
- Required court appearance
- Religious holidays
- Death in the family
- Educational tours/trips (with prior approval)

All absences will be marked unexcused unless a valid excuse note is submitted. Proper documentation ensures accurate coding in the District's attendance system.

Tardiness and Early Dismissals

Late arrivals and early dismissals disrupt learning and will count against perfect attendance. These should be avoided whenever possible.

Truancy Procedures

To avoid truancy procedures and DHS referrals, ensure that your student comes to school every day on time.

At the 3 rd Illegal/Unexcused Absence
• The address and telephone number are verified • Legal Notice (C-31) is mailed to the parent/guardian or given to the student to take home
At 3 rd -10 th Illegal/Unexcused Absence
• RtII Process begins with documented interventions in Schoolnet using RtII for BEHAVIOR/BHS • Please Note: You may also receive a Mandatory Parent Conference (EH-42) or home visit to make sure we are best supporting your child.

At the 10th Illegal Absence(Students are considered chronically truant at 10 Illegal Absences)

- Interventions are reviewed, and the decision is made to refer to DHS/Truancy Court.
- Truancy Referral Form is completed.

STUDENT BELONGINGS & TECHNOLOGY

Chromebooks

All students will receive a Chromebook device & charger for their educational use throughout the year. We will ensure that the device is repaired.

→ [Chromebook resources](#)

Textbooks

Students are responsible for all textbooks and library books issued to them during the school year. All lost or damaged books must be paid for.

Cell Phone & Personal Electronics

We understand that students may need cell phones for safety. However, phones and personal electronic devices can cause major distractions during the school day. Penrose Policy is “OFF AND AWAY FOR THE DAY!”

[Yondr-Parent-Letter-Penrose-Grade 3-8](#)

[Yondr-Student-Policy-Penrose-Grade 3-8](#)

Cell phones and other electronic devices are prohibited inside the school. On August 25th, 2025, ALL students will receive and be responsible for a pouch to place their cell phones while they attend school. Once students receive their pouches, they will receive a tutorial on their usage of the pouches. Students must place their cell phones in their pouches before entering the building. Pouches must be unlocked at the end of the day as students dismiss the building. All calls home to parents or guardians can be made with permission from an adult using a landline.

If pouches are damaged or lost, students will be charged \$22.00 for a replacement pouch. Failure to comply will result in restrictions on bringing a cell phone to school.

If a student is found possessing a phone, they will receive a more severe consequence, followed by a parent conference and behavioral contract.

ANY student found using a cell phone during school hours will receive the following consequences:

- 1st Offense: Phone will be confiscated. The phone will be returned to the student at dismissal.
- 2nd Offense: Phone will be confiscated. Lunch Detention and Parent Meeting. The phone will be returned to a parent/guardian only.

*No earbuds, earphones, headphones, beats, pods, or chargers can be seen in the building. Failure to comply will result in items being confiscated and only returned to a parent.

Please be advised that Penrose School will not be liable for any item confiscated by school police or administration or lost or stolen. The school will not pay to replace any lost or stolen items.

Lost and Found

Please clearly label your student's clothing. Mark other personal property with your student's name and room number, i.e., books, book bags, etc. We know how hard it is to provide students with all the things they need. Losses will be lessened if all items are marked. Students are not permitted to carry large sums of money, toys, electronics or expensive jewelry. The school cannot be responsible for any items that are lost, stolen or traded.

The Lost and Found is located in all three buildings. Lost/unclaimed items are placed there on a daily basis, and students may retrieve misplaced items. Unclaimed items are donated monthly. Parents/guardians are asked to clearly mark children's clothing and personal property. The school accepts no responsibility for lost articles and money.

EQUITY & STUDENT RIGHTS

LGBTQIA+ Policies & Resources

Policy 252 – Transgender & Gender Non-Conforming Students

We are committed to creating a safe, inclusive, and supportive environment for all students. In alignment with the School District of Philadelphia's Policy 252, we affirm the rights of transgender and gender non-conforming students and will follow these key practices:

Names & Pronouns

Students will be addressed by the name and pronouns that align with their gender identity. No legal or medical documentation is required. Intentional or repeated misuse of a student's name or pronouns is a violation of this policy.

Privacy & Confidentiality

A student's transgender identity will not be shared without their permission, even with parents or staff. Students have the right to decide when, how, and with whom they share this information.

School Activities & Spaces

- Students will be included in all school activities, groups, and spaces that match their gender identity.
- We aim to minimize separating students by gender whenever possible.
- Gender-neutral language (like "they" instead of "he/she") will be used in written communication when appropriate.

Restroom Access

Students may use the restroom that aligns with their gender identity. A private, single-stall restroom will be available to any student seeking more privacy, but use of that space is optional, not required.

PE & Intramural Sports

Transgender and gender non-conforming students may participate in physical education classes and intramural sports in a way that aligns with their gender identity.

Students Experiencing Homelessness

Every child deserves access to a quality education, no matter their housing situation. We support students and families experiencing homelessness by removing barriers to enrollment, attendance, and success in school, as outlined in the McKinney-Vento Act. → [Learn more about your rights and available support](#)

HEALTH & SAFETY

School Nurse

Our school nurse provides immediate care for illnesses and injuries, conducts required screenings, and supports students' overall wellness. The nurse also maintains medical records for every student.

Parents/guardians must notify the nurse about any special health conditions and are encouraged to reach out with questions or to schedule a confidential appointment.

→Contact Nurse Jones at: 215-400-8310.

Student Illness

If a student feels ill during the day, they should go directly to the nurse, not call home on their own. Parents/guardians will be contacted if the student needs to go home.

Staying Home When Sick

Anyone who is sick—students, staff, or visitors—should stay home. If someone becomes ill while at school, they must leave the building promptly.

Student Medication

The school will only administer medication with written permission from both the parent/guardian and a physician. A completed [Medication Administration Form](#) is required and must be updated if the prescription changes.

Key rules:

- Medications must be in the original container, labeled with the student's name and prescription details
- All medications must be turned in to the nurse's office
- Students may not keep medication in desks, lockers, or backpacks

- Unused medication must be picked up by the end of the school year or it will be disposed of

A new authorization form is required each school year.

Immunization Requirements & Health Services

Pennsylvania law requires all students to be fully immunized or officially exempt before attending school. This is mandated by the PA Department of Health, the Philadelphia County Board of Health, and the School District of Philadelphia.

SCHOOL CULTURE & DISCIPLINE

Penrose School adheres to district discipline policies to promote positive behavior and maintain a safe, respectful learning environment. Most issues are addressed in the classroom through clear routines and open communication among teachers, students, and their families.

Chelsea Kaplan: School Climate Liaison

Kevin Giorno: Dean of Students

Code of Conduct

Students are expected to follow school rules at all times—both during school hours and at school-sponsored events. Violations may result in disciplinary action as outlined in the District Student Code of Conduct.

→ [View the District Student Code of Conduct & Discipline Process](#)

Guidelines

- **In-school interventions** must be used before considering suspension.
- **Suspension** should only be used if interventions have failed or if the infraction is serious.
- **Disciplinary hearings** are required for repeated or severe violations.
- **Possession** includes any item found in a student's locker, backpack, or clothing.

Interventions

Teachers will use a progressive set of interventions:

- Verbal warning
- In-class redirection
- Use of the calming corner
- Reflection time in a buddy classroom

These steps help limit distractions and avoid unnecessary office referrals. All consequences are delivered with respect and are intended to guide students in making better choices.

Documentation & Oversight

All infractions and related consequences are documented per District policy and monitored by the school's Climate Manager.

Possible Consequences

Consequences for disrupting the learning environment may include:

- Verbal warning
- Classroom tracker note
- Behavior reflection
- After-school detention
- Community service (e.g., cleaning tasks)

- Private or public apology
- Temporary classroom exclusion (parent meeting required)
