

Week of March 23, 2020

Here are some additional activities for your child. He/she can also continue to use Freckle and SpellingCity. Nothing is mandatory; I just want to support families as much as I can during this time at home.

I highly recommend that your child reads, writes, and does fact practice daily.

Scholastic Learn at home: Grades 1-2 : Complete one lesson each day

Follow the lesson 1. Watch the story 2. Read book 3. Watch the video 4. Complete the writing activity (if possible). If you are able to do the activities, please save them and bring them to school when we return. I'm happy to look at them.

Xtramath: 10 minutes a day

Go to students

Use my email: jhughey@norwood.k12.ma.us

Then type in your child's first name, last initial (no spaces) and their 4 digit xtramath code.

Please email me if your child forgot his/her code and I'll send it to you.

Storyline Online

www.storylineonline.net

We have used this in school so your child is familiar with it. All stories are read out loud to them. This is great to continue their reading comprehension.

Assignment: Please have your child write the title of the book and write about their thinking.

I wonder... I predict... I think... I made a connection... In my opinion...

Our all time favorite... Mystery Science
