What is Give Kids A Smile?

Through the ADA Foundation's Give Kids A Smile program, launched nationally by the American Dental Association in 2003, more than 5 million underserved children have received free oral health services. These free services are provided by approximately 10,000 dentists annually, along with 30,000 other dental team members.

Each year, here in NJ, more than 100 dental practices and clinics participate in this one-day event. **In 2020, Give Kids A Smile day is Friday, February 7**
