

Dual Credit Reimbursement Application

The purpose of the dual credit reimbursement program is to provide families the opportunity to apply for a refund of \$25.00 *per credit hour* for each dual credit course a student successfully completes through Mid Plains Community College. The reimbursement excludes fees. Students who are ACE Scholarship recipients are not eligible for the reimbursement program for the dual credit courses paid by ACE. If a student enrolls in additional dual credit courses beyond what the ACE scholarship program pays for, the student is eligible to apply for dual credit reimbursement.

Students must complete this application, must submit a copy of their Mid Plains Community College course transcript with a final, passing grade posted, and must provide a "PROOF OF PAYMENT" to Mid-Plains Community College for the cost of dual credit courses with this application before reimbursement is considered. The application, college transcript, and proof of payment for Fall Semester are due no later than January 31st. Reimbursement payment will be sent to the address provided below by February 28th. The application, college transcript, and proof of payment for Spring Semester are due no later than May 31st. Reimbursement payment will be sent to the address provided below by June 30th.

Please mail or deliver application, transcript, and proof of payment to:

**McKinley Education Center
