

11/18 - The Interlopers

Chromebook Lesson Day 2 - All class work needs to go into your personal folder in Drive.. Please refer to your class Tech TA if you need assistance with the Chromebook Functions

Response (~8m)

- 1) In your folder in **Drive**, create a new document, and title it **The Interlopers**
 - a) Alternate method - Open up **google docs**, click the + sign for a new document, name it **The Interlopers**, then move it to your folder by clicking the **folder icon** to the right of the title and clicking on your folder name.
- 2) Turn to page 267 in your textbook and complete **Literary Analysis: Irony** question 1a and 1b. It'll include a chart. Complete this right in your document for today.

A. HW Review (partners)

- 1) The hw from last night was page 266, 1-4. In pairs, please take about 5-7 minutes and discuss your answers to the hw assignment. If you don't have it completed, discuss with a partner anyway. When done, read pages 268+269 together, taking a few notes. Then, return to your seat and hand your hw to your teacher.

B. The Interlopers (p270) (read alone, questions in pairs if you want)

- 1) Read The Interlopers carefully, taking close-reading notes in your document as you go. Be sure to look especially for examples of conflict (internal or external) and irony.
- 2) When done with the reading, answer 1-4 on page 278 and 1-4 on page 279 with a partner or alone in your document

HW -

- 1) Make sure that you've completed all the tasks above
- 2) Write a short paragraph in which you discuss how the endings of The Gift of the Magi and The Interlopers are ironic and what effect that has on your reading.. (To be emailed to me at laflinenglish@gmail.com **OR** written and handed in to your teacher tomorrow)
