We will provide Labor Day T- Shirts, beverages, and candy to give out along the parade. We have a trailer but still are looking for someone to pull it. If you are interested, please call the hall. The new flagpole and bathroom are progressing but will still require some more time to complete. Work on

We will be looking for volunteers to decorate their trunks and hand out candy in the near future. More information on the date and specifics will be coming soon. Please remember the contract is coming up soon and we are still taking suggestions in the main canteen as well as through our website uswlocal593.net.

Grievance Chair Report

Per contract we still have 2 apprentices to come during this contract. Due to limitations in the schooling, they will likely begin in January. The company is planning to hire 5 more general helpers sometime in September. Please remember to use **LOTOV** when working on equipment. This helps to make sure all of our members stay safe. Also, when using mobile equipment remember to stop at all stop signs, honk your horn when appropriate and make eye contact with others near you.
