

SCHOOL STRATEGY LAB

Take Control of Your Workload. Build Skills for Life.

The **School Strategy Lab** is not a typical tutoring group. It is a high-impact, expert-coached workspace designed specifically for students who have difficulty managing academic responsibilities and would benefit from **Executive Functioning Coaching**. The focus is planning, prioritizing, getting things done and closely monitored work time. This specialized group is led by Mrs. Doyle, one of Ursuline's learning consultants.

What Happens during the Lab:

- ✓ **Expert Guidance:** Direct coaching on time management, task initiation, and prioritization.
 - ✓ **Real-Time Productivity:** Leave with a plan *and* get your immediate homework started efficiently.
 - ✓ **Organization Systems:** Personal guidance on managing academic tasks & deadlines.
-

🚫 ZERO DISTRACTION ZONE 🚫

To maintain an environment of concentration, The Strategy Lab enforces a **strict Zero Phone & Social Media Policy**.

Limited Space: Only 4 Spots Available!

We have intentionally capped this lab to ensure **individualized attention**. Mrs. Doyle will be able to provide tailored input on your daughter's unique situation.

-  **When:** Every Tuesday
-  **Time:** 3:20 PM – 4:20 PM
-  **Where:** Oak Bend Library

Please contact Mrs. Doyle via email for further details and fee schedule: ldoyle@ursulinesl.org
