

6th Grade Supply List 2025/2026

Daily student needs

- Math/Science Notebook
- Pencil box with personal use pencils, erasers, highlighters and colored pencils
- A water bottle with lid
- Lunch

While we have tons of paper and pencils from previous years, lysol/clorox wipes would be greatly appreciated. We sanitize desks daily so we go through lots of wipes.

Wishlist: Below are each teacher's classroom wishlist. They include classroom supplies, wants, science supplies, and prize box items for student store. Your donations are greatly appreciated!
