KEY CLUB SERVICE LOG 2024-25   **NAME:**   **GRADE:**

All events are required to maintain a membership in Key Club. Logs are due by the end of the year, and once completed will be turned into a leader to be checked off and filed. Five service events a semester are required and will be checked, but extra events are always welcomed and encouraged. Events must be signed off within a month of completion.

If you wish to do an independent service event (an event not directly supported by the club), you must get it approved before the event. (Contact a leader, preferably your class director)
Donation events are not required. Only 1 donation event is allowed per semester (semester = 2 quarters).
3 in club events = 1 event credit.
