

Dear Parent,

To help us prepare for our zoo field trip, each student needs to prepare an animal report to present to the class. Help your child research interesting facts about a favorite animal. **Please choose a wild animal and not a pet or farm animal.** On the attached form, have your child illustrate or glue a printed picture of the animal to the blank paper. You may want to include the habitat in which the animal lives. You can also have a string or ribbon to show the length of your child's animal.

These reports may be turned in at any time prior to the date your child presents, although you may want to hold onto it to have your child practice the report. The items on the Animal Report Form should all be included in the oral report. The child may read the report if needed, but should be able to do the report on own to receive full credit. Please use the next week to prepare, this is your child's homework for the week.

The following table shows your child's presentation date:

Date:	AM Presenters	PM Presenters
Tuesday, April 17th	Lyla Ben Hailey	Zoe Drake Stella
Wednesday, April 18th	Bethany Mason Kara	Karmen Landon Sadie

Friday, April 27th	Bella Richard Robbie	Kylan Koen Grace

Please help your child practice telling his/her report at home so he/she will be prepared to share with the class. If there is a problem with this performance date, please let me know so we can reschedule. Also, let me know if you have any questions.
