

Changeology Fall 2017 Week 1 9/10/17

Getting to Know You

- 1.) On Sunday Scott talked about Peter's "smell" story. Do you have a story or memory that comes to mind that is associated with a smell?
- 2.) Have you ever been in a community group before? What is your spiritual background?
- 3.) What is your hope for this season of community groups? What would you like to get out of this season?

Into the Bible

- 4.) Read 2 Peter 1:1-11. Pick any one of the following questions to answer and discuss with your group. What stands out the most to you? What doesn't make sense to you? What seems the most difficult to live out? What seems like it would have the biggest impact on your life? What seems like it would have the greatest impact on the world?
- 5.) In 2 Peter 1:1-11 Peter wrote about the ongoing process of refining or changing ourselves. According to Peter, what is God's role in the process, and what is our role in the process?

Application

- 6.) What do you think you will need to invest in this group personally to make it a great season and to get what you want out of the group?

For next week

With the start of this new season, we encourage you to make a habit of reading over the questions before your group meets. We have found when group members review that week's questions before the meeting, the conversations are significantly better. The questions can be found on the church webpage as well as in the Sunday program.
