

# Room 20/Ms. Laube Supply List~2025-2026

**Hello Families!**

I have purchased most items your child will need for the school year, however please have your child bring the three required items listed below to school **by Tuesday of next week**. If finances are a concern, please don't hesitate to reach out—I'm happy to help. Each student will be provided with a **supply box and pencil pouch** (purchased by me) to keep all of their personal supplies organized and easily accessible.

**Please Note:** Ms. Chu (our science teacher) will have a separate supply list for her class, which students will receive soon.

## **Required Supplies:**

***Please label all items with your child's name***

- 🎧 **Headphones or earbuds** for technology use — in a labeled Ziploc bag
- 💧 **Reusable water bottle** (please no oversized bottles) — labeled w/name
- 🎒 **Backpack** — *no wheels, please*

## **Optional but appreciated:**

A **\$25-\$40 classroom donation** to help replenish shared supplies, support classroom subscriptions, cover costs for STEAM, PBL, and cover materials I already purchased over the summer. (Cash or check made payable to **MUSD**.)

## **Classroom Wish List (Optional)**

You can also find more items on my **Amazon Wish List** via the link sent on **ParentSquare!** 😊

- White Cardstock
- Kleenex
- Elmer's glue sticks
- Pre-sharpened pencils
- Ream of white copy paper
- Ream of colored copy paper

Throughout the year, I'll be purchasing items for curriculum projects, holiday art, classroom rewards, and creative activities to keep learning fun and engaging. If you'd like to contribute, **gift cards** are always welcome and greatly appreciated! Suggested stores: **Teachers Pay Teachers, Dollar Tree, Five Below, Amazon, Walmart, or Target.**

Thank you so much for your support—I truly appreciate it.

It's going to be a fantastic year!

Warmly,  
**Ms. Laube**
