## Information Collection and Use

Habit Tracker is designed to assist you in tracking and developing your daily habits without the need for user registration. We prioritize your privacy and have structured our application to ensure that personal data is not required, collected, stored, or processed.

## No Personal Data Collection

Our application does not require or store any personal information, such as names, email addresses, or other contact details. Users can utilize Habit Tracker without the concern of personal data collection.

## Non-Personal Data

We may collect non-personal information about the usage of our application, such as the number of users, user engagement, and other aggregate data. This information is used purely for improving the application and its features. This data is not linked to any personal information and cannot be used to identify individual users.

## Data Security

Although we do not collect personal data, we are committed to ensuring the security of our application. We implement appropriate security measures to protect against unauthorized access, alteration, disclosure, or destruction of any non-personal data we may collect.

## Changes to This Privacy Policy

Habit Tracker reserves the right to update or change our Privacy Policy at any time. We will post any Privacy Policy changes on this page and encourage you to review our policy periodically. Your continued use of the service after any modifications to the Privacy Policy will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

## Acceptance of These Terms

By using Habit Tracker, you signify your acceptance of this policy. If you do not agree to this policy, please do not use our application. Your continued use of the application following the posting of changes to this policy will be deemed your acceptance of those changes.
