SUMMARY: This teaching explains that Passover has not yet been fully fulfilled but remains a future event tied to resurrection and final judgment. It introduces the concept of a “fifth Passover,” where believers are passed over from the second death, emphasizing that the holy days are prophetic rehearsals and that obedience is essential.

1 Shane Vaughn Teaches - PART 1 - THE PASSOVER SERIES "The 5th Passover"
* 00:00 Let's read Exodus 12 we'll start with 14 and go through 17 and this day somebody says now I want somebody to say a certain day day. What does it not say right there. It doesn't say choose any day that's right that's right pick a day. Let the pope pick a day for you let your pastor pick a day.

2 Let the Church vote on a day. No no no. This day right no other day. But this one okay shall be unto you for a memorial and you shall keep it.

3 A feast to Yahweh throughout your generations and you shall keep it a feast until Jesus comes that I'm sorry. That's what I was taught. I'm sorry. But what does it say forever.

4 It says forever I'd like for everybody to repeat after me. I'd like for you to say brother. Vine did not write the Bible the Bible. He's just reading it.

5 He just read cuz people get mad at me for what's written in the Bible and all I'm doing is reading it okay amen. No it said you'll keep it forever that's right seven s days you shall now. This is the day after Passover starting the next day seven days shall you eat unleavened bread. Even the first day you shall put away leaven out of your houses for whosoever eateth.

6 Leaven bread from the first day to the seventh day. That soul will be cut off from Israel oh brother V it's no big deal to God. I'm sorry. I'm just reading what he said yes that's right.

7 It's no big deal. You know it's a nice thing to do well not according to the god that never changes he said if you don't do. This don't lie to nobody and tell them you belong to me because you don't now in the first day. Of these seven days there shall be a what somebody say a church sir service.

8 That's what a holy convocation is. It's tonight. We are in a holy convocation. On the first day you got to come to church amen and you do it again on the what day the seventh day okay.

9 There shall be a holy ghost get together Hallelujah. That's a holy convocation to you and no manner of work shall be done in them save that which every man must eat that only man that only that may be done of you and you shall observe the Feast of unleavened bread in the exact day that I brought your armies out of the land of Egypt. Therefore shall You observe this day until Jesus comes and fulfills it forever forever. I'm not going to look for any Geniuses tonight but let me pick out one brother Patrick.

10 What does Forever mean ET. Okay is there another meaning. I mean I don't know maybe I'm the what what's forever mean. Everlasting your good work son very good.

11 Maybe you are a genius. You might be the only genius in the room amen so I'm just going to say before we start tonight. I know we're living in a time when nothing means nothing. A boy is no longer a boy a girl's no longer a girl.

12 Uh they're telling me now that people think they're dogs and cats so now dogs are no longer dogs. Cats and white people are no longer white. People. Black people are no longer black people but forever still means forever okay all right.

13 You may be seated tonight huah Hallelujah now before we get started if you have any questions we will open it up for question and answers after tonight's lesson. So write your questions down. Now. I'm sorry these shoes have got to come off.

14 They're killing my feet. We're in Mississippi. You can do that in Mississippi we're down south here. I mean my Lord Stephanie can squat on the floor.

15 We can I can take my shoes off praise. God all right. So this looks like a this looks like a perfect scripture. But in fact we have a problem tonight.

16 Our problem is I'm fixing to show you another scripture from the New Testament that 100% contradicts the script rure okay. Now here's my question to every student here. Tonight can the word of God contradict itself if it does then it's the word of man that's right. If this book is the inspired word of God.

17 It cannot say two things everything has to Dove tail y'all know what Dov tail means it's got to line up. So now. I want to show you another scripture in your Bible and before I go there I'm not going to spend tonight explaining this next scripture too long the reason I'm not. I wrote a whole book on this verse.

18 It's on Amazon you can download it for free on my website. It's the book of Colossians. I wrote the whole book. I wrote a whole book on this one verse.

19 So I'm not going to be able to spend a lot of time here. But I do want to show you the discrepancy. Let's go brother EJ Colossians 216. Let's go there all right so we're going to just dig dig right in tonight and get to the truth of the matter.

20 When everybody gets there say amen amen Colossians 2:16. I want you to turn there in your. Bible don't read it on the board turn in your Bible. All right.

21 Here's what this verse says don't let any man judge you about meat or drink or whether or not you keep a holy day or of the new moons or of the Sabbath days which are a shadow of things to come but the body is of Christ all right so this says no need to keep those days anymore because Christ fulfilled them. That's what that seems to say now. I promise you if you read my book. You will never think that that's what that is saying it is a mistranslation and when you see how it's mistranslated it will all open up before your eyes but tonight I would be here an hour on this one verse and I can't do that because I've got to teach on Passover but let me just ask you tonight a question.

22 According to this verse. The reason that we don't judge anybody for keeping holy days or not keeping them is because these are shadows. Somebody say Shadows shadows and these Shadows are pointing toward something all right everybody look at this wall. Okay y'all look at the wall.

23 You see what do you see over there shadow that shadow is not me. But if you look at that shadow you'll find me why because I'm right there by the shadow. So there were shadows in the Old Testament that if you looked at those Shadows you saw Jesus the coming Lamb of God and so so because they were Shadows of things to come the church Israel kept those Shadows. Now.

24 Here we come to the New Testament and supposedly Jesus fulfilled the Passover brother Vine so now that would mean that Passover is no longer a shadow why because Jesus fulfilled it okay so the shadow is pointing to the Fulfillment. So therefore brother Von. My church teaches me that this verse says that because Christ is the Fulfillment of it that it's no longer a shadow so therefore we no longer have to keep them okay what I'm trying to tell you is what your church teaches you all right and then I'm going to show you where they're wrong are not to prove them wrong but to show you what's right because the fact is this verse has nothing to do with Passover. It has nothing to do with the Sabbath day as a matter of fact.

25 This verse supports the holy days and supports the Sabbath day and I wish I had time to break it down for you tonight. But I don't however let's go to the next screen and I like I like I said I wrote a book dealing with those two verses in today's lesson. I'm not going to extend this lesson by answering the questions about this verse. But I will draw your attention to the final line and I'd like for you to keep this in your mind.

26 A shadow of things to come so let me ask you brother Ricky Ezra. If the Passover is still a shadow of something still to come would that not qualify it to still be kept by the church. If it's still a shadow that's right okay. I'm going to prove to you tonight.

27 Passover was not fulfilled. I'm going to prove to you. Passover is still coming and therefore it's still a shadow sir and when you understand that you'll understand the whole mystery. Supposedly the reason Passover is no longer required is because it's a shadow that was fulfilled in today's lesson.

28 I'll prove to you that the Passover is still a shadow if I can prove to you tonight that the Passover is still a shadow would you. Then say it's no longer necessary to celebrate and keep it because if it it's still a shadow. Then it has not been fulfilled next screen why has Satan removed these holy festivals from God's Church. Why has Satan come in and taken out these seven festivals and replace them with uh bunny rabbits that lay eggs that's the biggest lie that's ever been told.

29 Bunny rabbits don't lay eggs but we bring our children to church to learn the what truth. Mnny rabbits don't lay eggs. Santa Claus don't fall down chimneys you were the first people that lied to your children. Not the news not the mainstream media.

30 The church was the first one that lied to your children. You were you taught your children. These lies oh brother V it's just fairy tales. No it's lies right right and the thing about it is.

31 There is truth and we you don't want to tell them that cuz they might miss out on something oh y'all asleep tonight huh Hallelujah brother V my children's going to miss out on something yes one big lie and the sad part is you could tell them the truth right yeah and teach them that the church won't lie to them. That's the church will tell them the truth and tonight we get hated because we tell the truth. The Apostle Paul says have you become my

enemy because I tell you the truth. * 13:33 The reason Satan has removed them and replace them with cross.

32 Bun bread and everything else is because the other things you celebrate don't tell the story. Only. The holy days tell the story only in the keep. Ing of them are we annually reminded of the purpose and the prize go to verse 18 of Colossians.

33 Chapter 2 now we just read that we're not supposed to keep the holy days because they're Shadows all right now. Let's read Verse 18 don't let no preacher rob you of your reward that's what that verse says why because there's a reward in keeping these holy days don't let nobody rob you of the reward. That's coming at the Judgment seat of Christ for those that have walked down this path every year. Let no man beguile you of your reward for doing these things what is the prize eternal life.

34 The next time. Somebody brings you to Colossians 2:16 And1 17 you bring them to 18 and say I won't let you rob me of my reward of keeping these holy festivals. Hallelujah to God next screen here's your ultimate goal in life. Everybody is to be what sister Pat your only goal in this life is to be passed over.

35 I know you're a little lost right now hang tight with me. I'm going to prove to you tonight that the Passover has never been fulfilled okay everyone in this room has a date with a death angel whenever you draw your last breath brother Connelly you're going under the ground. It's at that moment when you wake up that you will meet the death angel to take your life never to live again unless that Death Angel has to pass over. You Hallelujah the Passover has not happened yet yes sir Hallelujah but it's going to there's coming a day when he calls my name and the Death Angel comes to claim my soul.

36 There'll be a red dot of blood on my soul and I will get passed over I will experience the Passover. It's still a shadow of something still to come just because the lamb was slain that don't fulfill Passover. You don't have Passover until we all get passed over. My Lord I just taught you more right there than you've heard all year.

37 Long the Passover is still to come whenever you wake up the first death. The second death is the death angel that's when there's no more hope for you. But if you get passed over on Resurrection morning if you've got the blood of yesu covering your life. There can be no claim on your soul.

38 You will experience Passover some y'all ain't getting this the way I got it in my room. Last night. You ain't getting it like that cuz when I saw that I've never heard it preach like that never heard it talk like that never seen anybody tell me like that. But God said I'm going to give you the revelation of the Passover.

39 It is not about what Jesus did. It's about what the death angel is going to have to do when you come up out of the ground I will pass shows you. Yeah. I said Lord give me the Revelation and he said the Revelation is.

40 It's still a shadow. It's still a shadow of things to come. The Passover is on the way children we must get ready for Passover. Halloo I feel the holy ghost from the top of my head to the soul of my Sanctified foot holy God from Heaven brother Donnie you got to get passed over do you understand.

41 You got to get passed over over when you come up out of the Grave. Something's got to pass over you or you'll die eternally. But when I see the blood he said when I see the blood when you come up out of the ground. I'm going to check your.

42 If I see a red check mark when you believed on the Lord Jesus Christ as your savior I will pass over you Hallelujah my God I feel good Hall I'm still looking for the pass Hallelujah sh. If this don't make you happy. You don't have no Holy Ghost. I'm telling you God gave me a revelation he showed me.

43 He said you tell my people just because the lamb was SL don't mean the Passover has happened. Yet Hallelujah Jesus Yeshua was the lamb but ladies and gentlemen. The lamb was slain 6 hours before the Passover y 6:00 in the evening remember when did the death angel pass over at midnight. Midnight I'm telling you the death angel ain't passed over yet children.

44 Oh no. The lamb was slain a few hours ago on God's time clock. We're still waiting on midnight. We're still waiting on midnight it'll be midnight.

45 When he opens Your Grave. It'll be midnight and if I see the blood I will pass over hall hallelujah my God hallelu you ain't had Passover yet baby. Oh no yeah you've got the blood talken but you still got to face the death angel woo when your time comes to go. If you don't have that drama of blood.

46 You will die you will die a million deaths never to live again to be lost without God. You need Passover Hallelujah bless name thank you Lord. Now Satan knows this Revelation so he comes into God's church and says y'all don't need to keep that no more cuz. I don't want y'all preaching to one another about the Passover.

47 I want you to talk about to bunnies and rabbits. I want you to talk about chocolate candies at CVS I like them too. But that's beside the point he said. That's what I want you to talk about.

48 I want you to all get dressed up and go to Sunday morning Sunrise Service. I don't want nobody talking about what's still to come because if you know about it. * 22:50 You'll live right. You'll walk home you'll be getting ready to Passover.

49 Somebody needs pass over Hallelujah y'all really thought I was just going to teach. Hallelujah y'all bought that didn't you I ain't teaching Hallelujah. Everybody in this room tonight. Every one of you brother Allan has a disease in your body.

50 Every single person in this building has a disease called mortality yeah. It runs through every vein in this building when one day you will become as a dead dog. You will become mortal. You you will become mortality.

51 The Bible said this mortality has to to put on see but right now there's this disease. In your body. It came from the sin of the Fallen man. It lives in your body sister.

52 It's mortality you have a date with death. I put my father to sleep last year and I never have experienced death really in my life. No one real close to me has ever died but when my father died and immediately I knew I was getting old because all of a sudden death became real to me. I felt the sting of it knowing that I could never have anybody as proud of me as my daddy was my daddy loved me if I was broke or not broke my daddy loved me if I was messed up or fixed up.

53 My daddy was proud of me when I started preaching at 14 years old and Dad didn't care if nobody understood me. He was proud of me I will miss having to earn people's love. I never had to earn my daddy's love. My daddy always loved me death took that away from me there are times when I'm sitting on my couch wishing.

54 I could just call him and just hear him G about the nurses at the nursing home. One more time wow that's how bad they treated him. They spoiled him but it wasn't good enough for him. You know I just want to hear him gri.

55 One more time Karen used to go and he would give us a grocery list a mile long and we would go and we'd be so aggravated. We had you know we loved him but my Lord. He wanted every little thing we had to be and here so Karen and me we're trying. I would do anything to get that list one more time because every one of us has a disease.

56 We're going to die and sister Pat without the hope of the Resurrection. Your disease is a malady with no cure that's right that's right. This is why when the Bible said that he that he healed our disease I believe he was talking about the sin disease because it talks about his blood and his stripes. We were healed by the blood that he shed as the Passover Lamb because For the First time there was a virus.

57 There was a vaccine. There was a cure for our malady. There was a cure that would come into our lives by faith in Christ that all of a sudden the disease of death had met its match in the shed blood of the Lamb of God. All of a sudden my cure you see how everybody now is excited about.

58 This vaccine. Let me tell you something why you still wearing two masks. You done been vaccinated twice evidently. You don't believe in it no more than I do the point I'm making is this the ultimate vaccine is the blood of Jesus Christ.

59 That's the ultimate vaccine. Here tonight you will die eternally the death angel. Sister Pat will come to you at your death and only if you have a token of the shed blood. Only then will you be passed over at your Midnight Hour yeah what's going to be your Midnight Hour.

60 When the darkness of the Grave the Bible said The Dead Know Nothing the Bible said the darkness covers them that is your darkest hour. Passover don't happen baby until it gets your midnight in the darkest hour of your life when there is nobody to help you anymore. Your date with death has arrived at that moment you're going to need a Passover yes sir. So every year God said to his holy Assembly not the church at large they just having Church yeah but to the holy seed of Israel.

61 He said I'm going to restore in the Days of Elijah. These truths back to my people so that they'll have something worth celebrating let me tell you something Jolly. St Nicholas is nothing to celebrate if you want something to celebrate. Uh.

62 I'm preaching it to you tonight uh the Passover of our Lord Jesus Christ. But Satan came in when the pope of Rome in 321 ad let me tell you a story about a man that you may not know about. He's my hero of the faith. Maybe maybe maybe even more so than the apostles and I love the apostles.

63 But there was a man by the name of polycarp oh yeah. Good man I want to tell you about polycarp. Polycarp went to a church just like you do uh about 1980 years ago and there was a pastor in that church. Just like this one probably not as nice.

64 You know who the pastor of that church was John the Beloved the Apostle of Yeshua. Yes sir John the Beloved walked with Christ leaned on his breast and after yua died John become the angel of the Church of Smyrna. Yes sir. Now the Bible calls.

65 Pastors Angels you call them men but the Bible calls them Angels. The Bible gives honor to pastors. The modern Church gives no honor to pastors sir. That's why you're not biblical if you don't honor leadership.

66 God puts him there in your life to be an angel in your life and when you learn to cherish God's gifts to you. God will send you more gifts and John was the angel of the church and there sit polycarp just let's say that was just a man. Just like you he he wasn't. A preacher didn't go to Bible college but he listened to his Pastor.

67 John taught polycarp for 50 years in that church day a night and he taught him just like I'm teaching you the original Faith. He taught him the faith yeah but then John died by the way that was the only that was one of the two witness churches John's Church. The two. Witnesses Smyrna John dies and y'all know how he dies on the aisle of patmas well.

68 Polycarp don't die polycarp steps into John's shoes and begins to lead the church with the original apost don't call yourself. Apostolic. You don't even know what Apostolic me means if it ain't just like the apostles it ain't Apostolic. So so polycarp led the church John was gone.

69 All the apostles are gone. John was the last one every one of them's dead now and what happens when the cats away play. The mice start to play who were those mice well. There was a new church forming in town by a man named simus.

70 The magician I don't have time to teach on Simon tonight. I will one day. It's on my YouTube channel. It's called the magician and the Messiah you watch it.

71 * 32:03 You'll never be the same so a new church is starting in in town. But they move this church away from Jerusalem and guess where they move it to R Rome and these people. This is now about 200 years after Christ has died. This church decides that it hates the Jews by the way if you've got a Google on your phone anything I teach you Google it.

72 It's right there so the the Roman Catholic Church is forming and it despises the Jewish people why in their minds the Jews killed Christ right. They don't know that God had to Blind the Jews so they would do that right yeah. They don't know. God made the Jews do that but the Catholic Church didn't know that they hated the Jews and so they decided that they were going to distance themselves from Everything Jewish oh yeah so true that's when the pope decided by his own authority to change God's seventh day Sabbath to the first day of the week uhuh you don't believe it.

73 I need to play you the video clip where he stood up before the Roman Catholic church and said by my authority I changed the Sabbath day what you don't have no Authority dude you. I'll put a white robe on that don't give me no Authority. Uh my authority is the word of God and if you tell me something let me tell you if I tell you something against this word of God I don't have no Authority in your life that's right. But if I come to you from this book I have all authority because I'm in the bookah.

74 So the pope said we're going to do away with the seventh day Sabbath and he said here's why we're going to do it to rid ourselves of those detestable Jews. That's what happened to the Sabbath day did you know that most people don't that's where Sunday worship began. Before then. The apostles went to church on the seventh day of the week just like we do that's why we call oursel Apostolic that's right now a few months later.

75 Let's tell you let me tell you what polycarp did. Polycarp was an 89 years old and somebody knocked on his door and said have you heard. I wrote a book. It's called the poly the progeny of polycarp.

76 It's 300 Pages read it and somebody said polycarp have you heard what's happened in Rome. He said what they're going to change the Passover from the 14th day of the first month and they're going to move it to the first Sunday. After the Spring Equinox and rename it. Easter word let me tell you what polycarp did.

77 This is in your history books. They brought him down to a ship 89 years old and he boarded that ship in Jerusalem and crossed over the water to the city of Rome and history tells us that he went to see Pope uh is it Pi III. He went to see the pope and they welcomed him in. Now let me tell you who polycarp is compared to the pope everything oh yeah.

78 He's the original he comes from the the the it's back then your pastors were your were your were your fathers in the Lord. He come from John that was his father yes sir and he walked in there and the you know where I learned all. This don't you the Catholic history

books. It's all written down that's right and they said polycarp came from Jerusalem and begged an audience with the Pope and here comes that original apost olic brother and the bi not the Bible.

79 But their history says that he spent six hours with an audience with the Pope begging them not to change the Passover to Easter. That's why I'm Apostolic yeah I do it. The way polycart did it the way John did it the way Jesus did it not the way Rome changed it. I do it the way it was done in the word of God yes sir and do you know what the pope told polycarp.

80 No it was nice meeting you will never be identified with the Jews. Now unless you get real prideful here tonight and you think oh. I would I can't believe he said I don't want nothing to do with the Jews. That's anti-semitic well.

81 Rome had some daughters. It's called the Protestant churches and they're just like their mama oh yes. They're all anti-semitic Church. You grew up in oh.

82 I'm getting so deep tonight. If you don't never come back. I don't blame you but I'm just tired of just. I'm just going to tell you like it is if you don't like it.

83 I'm sorry but you know what the modern Protestant churches did. When they left the Catholic Church. They brought that anti-semitism with them. They did yes.

84 They brother. V I don't believe it okay wake up everybody. I'm almost done. I don't believe that my church is anti-Semitic.

85 All right hold tight all right all right. We're going to bring one of these Christmas trees in your church. We're going to sit it right there. Just like the witches do by the way.

86 Do you know the witches favorite. Holiday is Christmas that's their holiday they started. Christmas don't question me on it. You're not ready to go there.

87 I promise you. I've studied it for seven years night and day. They started with the Ule logs. They started with the Ule tree.

88 That's all paganism. Now you can bring a tree right inside of the Church of God. You can decorate it with gold and silver. You put lights all over and set it right on the platform and everybody in the church.

89 Oh is't that beautiful that's so wonderful okay. That's fine I'm not here to judge nobody. But I am here to prove a point to you. We come and bow down to it and bring gifts and set under it and take gifts from it all right.

90 So we're fine with that but then here comes some little luna tune in the back door yeah. With one of these in his hands. Hallelujah your anti-semitic spirit will show up every time you didn't know that the churches you grew up in taught you against Everything Jewish yes come on hand me that toite let somebody walk in with one of these and watch every

carismatic Pentecostal. Baptist anybody in the room lose their mind when you see one of these but you were fine with the low down Easter Bunny in your church greeting all the children yeah that Spirit came from your mother Rome.

91 Yes it did and it's liveed through every one of her daughters. Brother V my church is not anti-semitic. Then I want to ask you one question why do they almost throw up. When you say the word Sabbath day yes sir right come on church.

92 We got sit on S right I'm going to make a point I want you to hear what I'm saying tonight everybody listen cuz. I'm in a vein right now hallelujah hallelujah. If you're fine with everything you learned from Rome. But when I show you something from the Bible you've got a problem with it.

93 You might have a Roman Spirit hallelujah hallelujah. I'm showing you from the word of God to keep the Passover and yet you'll go to. Every camp meeting in the country you'll go to everything. But if we mention the word just does something weird to you.

94 They ask are you Jewish now absolutely absolutely absolutely and what they don't understand is we're not preaching anything Jewish we're preaching everything biblical. Before there was a Jew. There was the word of God the Jews don't own the word of God. Right Israel does right yeah so I hope you're getting my point.

95 I'm making we are in a battle right now to return to the apostolic roots of our faith. Satan came in and took away the Passover message from the church so that we would all look forward to Easter Sunrise Service L if you ever go to the Book of Ezekiel. You'll find out where the Easter Sunrise Service came from listen guys you. I'm going to teach soon on all the holidays and when I do you'll do one or two things you'll jump in this and never leave or you'll never come back one of the two.

96 It never fails because truth is a red peel and very few people can handle the red peel that's right they like the blue pill. But if you ever get a taste of Truth nothing else will satisfy you nothing else will satisfy you nothing yes sir. So every year God said let me ask every one of you a question how many in this room love our veterans right okay. Now.

97 I'm going to ask you another question. How many of you every day of your life think about our veterans. I don't I get busy. I'm at work.

98 I'm not thinking about veterans. Some of y'all might you may you maybe you are a veteran. I don't think about veterans every day. So I mean if y'all do.

99 I'm proud of you. But I have to wake up. I have to go to work. I got bills to pay you got cars to fix.

100 I'm not thinking about veterans anybody with me. But there is one day a year where I'm reminded of the truth of what these men went through. My mind goes to that truth of their sacrifice. The Reason God gave you seven annual holy days because they are seven annual reminders of truth because in this life we get busy yes sir but when you're preparing for

Passover at your home and you've already put up your decoration that was so beautiful when you're preparing you're reminding yourself.

101 There's going to be a Passover one day sir I've got to prepare myself for that pass. Satan don't want you prepare and he wants you saved yeah right. That's right that's right. He don't want you preparing because he wants you to be one of the five foolish virgins that thinks you're saved because you're in the church baby.

102 Those five foolish virgins were not Sinners. They wouldn't be called virgins. If they were Sinners. They were foolish shave people yes H they went to sleep because their church had preached them to sleep and told them everything was already handled.

103 Everything was done nothing for you to be upset about nothing for you to be working towards but there were five wise virgins. The Bible said they were working triming their lamps keeping their life in check yes Lord. Hallelujah next screen fix to talk to you real quick about the history of Passover number one Isaac was passed over how many remember the story of Isaac he was about to die right. What did Yahweh tell Abraham I want your firstborn son.

104 Yeah lays him on the Altar and right when he goes to kill him. He gets passed over don't he because of what an animal sacrifice there's your first Passover right there. That's your first one okay. Now.

105 The next one was when the firstborn sons of the Hebrews are passed over from the angel of death by the blood of the doorpost on and then the sins of the nation. Here's a third Passover of Israel are passed over how many remember the night when all the firstborns of Sons of Egypt were killed yes but not the firstborn sons of Israel why they were passed over and then the whole nation got passed over yeah. That's right that's your Passover. Now these three Passover explain to us the final Passover on I'll explain in a moment next screen.

106 Here's your fourth Passover I want to show you how to uh understand the purpose of the Passover. As every year. The Passover is a rehearsal of what's to come. It's still a shadow of that great Passover that's coming.

107 Yeah Israel was instructed to keep the Passover and to sacrifice a spotless lamb as a rehearsal that was designed to teach them a greater truth. * 46:46 What does a rehearsal do and give me a better word than prepare perfects you're going to have a wedding you don't want the flower girl coming out be after the bride. So what do you do you have a what a rehearsal rehearsal dress rehearsal to do what to get it. Right.

108 Every year. These are dress rehearsals yes sir to get it right yeah in a few days we're all coming together for a rehearsal yes sir next. Tuesday night. We'll be here to rehearse what are you going to rehearse brother V oh.

109 I tell you what we're going to rehearse. We're going to rehearse the guarantee that we have that we're going to get passed over the blood of Jesus Christ. Yesu. We're going to drink that blood as a rehearsal hallelujah.

110 We're going to drink and then we're going to eat the body as a rehearsal yes of what's still to come yes sir. What's still to come now. I showed you three Passover. Let me show you the fourth Passover next screen.

111 There. He is right there yeah. Here's your fourth Passover. The Messiah was the fourth and final fulfillment of the Passover.

112 Yua would be to Yahweh what Isaac was to Abraham the firstborn son he would be to Israel what the Passover Lamb was their sacrificial lamb who would die in their place. This is exactly what yua did he kept Passover with his disciples. Now. I want you to watch me carefully on the 14th day of the month in Israel almost 2,000 years ago.

113 It was getting about the time of day that it is now and yua told his disciples. Let's go now and let's keep the Passover and they prepared a room in Upper chamber and they all walked in. They were eating the Passover meal. Yua interrupts and says now there's about to be a change because this blood that you're drinking I'm about to become the blood of the New Covenant.

114 So he said we're going to change the elements just a little bit but not the message he said now. I want you to take not the body of the lamb. But now I want you to take the bread and eat the bread and I want you to drink the blood and then notice what he said as often as you do this. I want you to do it in remembrance of Me no longer of you coming out of Egypt.

115 Now now we're moving into a different dimension. Now I want you to do it in remembrance of me hallu but let me show you where the church messed this up. They thought he was creating some new thing called communion come on yeah yeah yeah. Yeah come on.

116 He never said as often as you take communion do it in remembrance of me. What were they doing when he said that he said as often as you do this Passover you do it in remembrance of me. Now that's right. He didn't say as often as you eat the the bread and the blood and the No but as often as you do what we're doing what were they.

117 Doing. It's so simple a child can understand it. He said now when you keep the Passover. I don't want you doing it the way they did in the the Old Testament with your Cedar meal and your Pagan egg sitting there that I didn't authorize and eating the lamb.

118 He said now we're going to change it to the body and the blood yeah hallah Hallelujah and now every time you do it every year. Not every Sunday every year that's right in this ministry. We take the body and the blood one time a year because it's not a Catholic communion there ain't no power. In that wafer.

119 There's power in keeping the pass over Hallelujah ain't not don't not opening my mouth nor put nothing in my mouth right. There's no power in that the power is as often as you do. This do this now not in remembrance of coming out of Egypt but now in remembrance that you've got a token on you that guarantees you a Passover. One of these days and every time you drink the blood you turn to the devil and say right now you might be buffeting me but soon you're going to pass over me.

120 And I'm going to be live forever more yeah. That's what the Passover is yes sir. That's what it is woo Hallelujah to God. Hallelujah ladies and gentlemen that was the fourth Passover but tonight your pastor.

121 I've come come to teach you about the fifth Passover yes. Sir the one that is still to come yes sir next screen. I told you so. I told you so see why did I say case dismissed because you told me at the beginning of the lesson if I could prove to you that the Passover was still a shadow that you would lose every argument that you ever had against keeping it and I've proven to you that the Passover is still a shadow of things still to come.

122 Case dismissed. Now they say it already came. Let's go to the next screen but how quickly we forget about the fifth Passover are you looking at it on your screen yes come on woo. That's the fifth Passover.

123 Sh. The fifth Passover is when you get up and you're fixing to be cast into the Lake of Fire and there comes a blood token over your life and that Angel's ready to collect your soul. They're ready to drag you to the abys of the doomed in the dam. They're ready to take your soul and cover it in darkness but because of the blood you get pass over hallu.

124 How dare you not keep the Passover W and remembrance of these. Things GL Hallelujah without the fifth Passover. The first Passover is useless what was the point if it it was all pointing not to Christ it was pointing to your Passover my Passover our Passover. That's why we still keep it.

125 It's still a shadow blessed be God you feel that don't you Elder hallelujah. Hallelujah to God God blesses this ministry with so much revelation yeah. We are the Most Blessed people in the world because God reveals to this assembly The Mystery of the ages. What he's doing in the Earth today may we never take it for granted when the angels of God come to carry you to meet the Lord.

126 That's when your Passover happens sir. That's what it does. Everybody's not getting passed over you know that don't you you. The Bible said they'll die a second death come on if you're born twice.

127 You'll only die once but if you're born once you're going to die twice remember that if you're born twice you'll only die once but if you're born once you're going to die twice when that Holy Ghost comes on you. That's when you're born twice. No that's when you're born twice when the Holy Ghost comes into your life. That's your new birth.

128 Hey hey hey hey y'all I'm about to take off running. I'm too fat to run Hallelujah to godallah. Next screen let me try to get out of here hallelujah. Somebody get me.

129 Revelation 2:11 somebody give me Revelation 20 and6 somebody give me Revelation 20 and4 somebody give me Revelation 218 somebody give me acts 18:21 hold on now brother V I have faith in Jesus Christ. Yesu. The Messiah I have faith in him so therefore I'm going to get passed over all right let me destroy that for you for just a moment you messed up in your head. We're living in a church world that teaches some kind of head Faith.

130 Just some kind of of I believe what does that mean anymore. What does I believe mean anymore think about that. The Bible said the devil believes and trembles so if believing is all we got to do. We got a problem here's why if I tell you right now come here brother.

131 * 57:39 Kyle come stand up here with me put your Bible down come on up here stand in front of theice. Audience. Let him look how nice looking you are tonight he's single by the way we got to find him a good Holy Ghost wife hallelujah hallelujah now brother Kyle yes sir in less than 10 seconds. There is coming a bolt of lightning from heaven and it's coming in the exact spot where you're sitting.

132 Now. I've already I'm already 8 seconds nine. 10. He didn't believe a word I said he didn't believe a word I said now brother.

133 Kyle do you believe what I'm saying say yes sir yes. Sir I believe what you say you're a liar right. The Bible said if a man says he loves God but doesn't obey God. That man is a liar sir.

134 The Bible said faith without works is dead. It don't exist now if I would have told him in 10 seconds. A bolt of lightning is coming and that man would have moved quicker than you could look. He believed it you can't tell me you believe in Christ thank you brother.

135 You can't but tell me you believe in Christ whenever he said brother V I just believe no no no. He said take up your cross. Now that word follow in Greek means imitate me exactly right mimic mimic me do what I did oh brother van I Believe In Christ and yet you do nothing. He told you to do you don't believe darling that Passover blood won't work for you.

136 That's why we must take. The Bible said you got faith. It's going to show up every time in your. What works but we live in a church where the word works is a curse word.

137 Right that's right that you're taken away from Grace. Let me show you Grace let me show you Grace. Here's Grace Grace is this brother. K I've got $1,000 that I feel like the Lord told me to give you now.

138 I didn't really happen. Okay didn't really happen Hall don't take me too serious right now. Okay and Brother Kyle I just feel like giving that to you Hallelujah all right now what I'm going to do. I'm G to put it in an envelope and I'm going to leave it in my mailbox cuz.

139 I'm I sleep too late and I don't want you bothering me in the morning knocking on my door. So I'm going to go put it in the mailbox and you just come by and pick it up. All right did Kyle do anything to earn that ,000. No but wait a minute that was Grace.

140 I decided he did nothing. Right I decided to give him that money but I also told him how to get that money and apply it to his life yeah. You got to go to the mailbox you got to work with Grace yeah right right. I gave you something but there's conditions to what I give you you got to go get it.

141 Amen Grace gives it to you free of charge but the Bible said that whenever that that that we should walk worthy of the grace given to us by God we have to be worthy of the grace yes sir. You have to say brother V I'm going to show you how thankful I am I'm going to be there in the morning and get that money because I love the grace you've given me. I'm going to work with Grace right right. That's why the Run Spot Run SP.

142 That's why the Bible said Hallelujah. The modern Church hates what I'm fixing a preaching I may edit it off the video cuz. I don't I got enough hate mail already but listen death threats people sending me dung and the mail bags of cow dung. You wouldn't believe what all we go through because of our stand for truth this uh this generation we're living in hates the word's works.

143 That's why when I preach what I'm fixing to tell you when I preach you must be baptized the whole church World goes crazy on me come on oh yeah. Yall don't believe that go tell somebody you got to be baptized and no no you don't have to be baptized. It's a good idea though just believe I'm telling you what the church believes they believe. Baptism is an outward expression of an inner work.

144 That's right I'm going to give you the words of yua he that believeth and is baptized shall be saved did you know that was in your. Bible did you know that everybody in the book of Acts that received the Holy Ghost had to be baptized. Do you know why that is because you can't say I believe in Jesus you got to prove it yeah. Hallelu water baptism is your first step of obedience that you believe yes sir hallelujah hallu.

145 Hallelujah Jes the Bible said in Acts 238 repent and just repent everyone just those that think it's a good idea every one of you what 23 every one of you has to be baptized. But I thought I was saved by the blood. You don't even understand what you're talking about the blood Hallelujah. The blood is the Seal of the New Covenant but that seal comes with condition brother Von I don't believe in works.

146 Okay hold on hold on ain't a they ain't a Christian you've ever met don't believe in Works. They'll lie to you and say they don't. I'm going to tell you one question. You ask anybody.

147 That says I don't believe in Works. Y'all ready next time. Somebody says there's no Works say okay could you tell me what I need to do to be saved oh. You need to repent.

148 That's a work yes sir. H they believe in work how do I get saved. All you have to do wait all I have to do. I thought I didn't have to do nothing.

149 I thought it was by Grace right well. No you got to confess with your mouth. What you mean I got to move M I got to work work more work. We have been so lied to in the Christian church that I don't know why you people hate the LIE more than they do when I tell them the truth they'd rather hear the LIE right you got to be baptized in the name of Jesus Christ for the remission of your sins.

150 But you believed this lie so long anybody ever heard of the Roman Road. That's right that's right well baby if I got to walk down the Roman Road to get saved that's working that's right if you're conf with your mouth. The Lord exactly that's work why because that confession with your mouth proves that you believe water baptism proves you've got saving Faith real faith faith that has obedience attached to it. Sir the Bible said the Holy Ghost is given to those that obeyy Hallelujah find me that scripture people think I've lost my mind.

151 Somebody find me that scripture. It's in the book of Acts read it. I want to show you you don't get the Holy Ghost because you believe oh yeah. Oh.

152 It got deeper than I was planning on tonight. But this is all right find that scripture for me obey in the book of Acts all my Bible scholars. No that's not it. I'm sorry.

153 That's I'm looking for another verse hold on. I find it take me a half of 30 seconds that obey now. I want to show you something in the book of Acts. There we go let's see bir acts.

154 5:32. I want to show you how to get the Holy Ghost it ain't by talking about I believe while you still jacked up smoked up jacked up and everything else. You don't believe if you're still living in sin. The Bible said repent repent and I'm sorry repent means I'm stopping I'm turning around right oh.

155 It's a straight message. We preach but it'll get you on that narrow path read that for me who's got it read it sister Tess and we are his Witnesses go ahead. We are his witnesses to these things and so also the holy spirit of God has given to those who obey duh Run Spot Run you got to obey God believing in your head ain't. Obeying I could believe I love my wife but if I'm out cheating on her that I'm working.

156 But it's a wrong kind of work. We're living in an age that don't know what Grace is and they don't know what faith is that's right. Faith doesn't let me tell you a man can tell you all day. He loves you and don't get his butt off couch and go to work that man don't love you.

157 He loves your oh. I know you don't want to hear it a man that don't work. They supposed to be eating amen right. I'm going tell you what you want to hear or don't want to hear cuz.

158 I'm I'm your preacher. I'm not your. I'm not your motivator. I'm your preacher.

159 Why does a man get up and go to work because he can't just tell you he loves you. He's got to make you're secure why that's that's his work that's right. It proves his what love that's right right your. Works will prove your faith every time now.

160 So what do the scripture mean when it says we're not saved by works. * 01:10:06 I'll show you what it means if we went to court tomorrow brother Kyle and you had a felony charge for stealing from Walmart. Some under to wear okay you got some for everybody in the family and you go into court. The law says well that's a misdemeanor so it's going to give you six months in jail okay.

161 That's the law now nothing's going to change the law except the legislature or if it's 2020 election. The state secretaries and everybody whoever wants to change it. The law don't change so you go to court. The judge looks at the book and says okay we got to give you six months.

162 Your honor can I say something yeah go ahead son tell you what we're going to do y honor. I know I deserve them six months and I know the law says what it says. But why don't. We do this.

163 I've decided instead of doing the time I'm going just stop stealing underwear good still got to do the time. No no no no no no no I don't have to do the time because the reason I don't have to do. The time is because I'm saved I'm saved by by Grace. But I want to okay now hold on what you're trying to tell the judge is the penalty.

164 The penalty can be paid by your works yeah amen. No no no somebody has to pay the price first that's where Grace come in. That's where Jesus came in. He paid your sin debt because you could keep the Sabbath every day of your life.

165 It'll never pay the debt. That's right right that's right Hallelujah you owed a debt to God. You were a sinner yua paid that debt. Thank you Lord you can't go to see what the Jews try to do.

166 They try to come to Yahweh father God and say to him. We're just going to keep the Commandments. We don't need the blood of Jesus. They think they can pay their debt with works.

167 That's right no no no. There's only one thing that'll pay the debt. It's the shed blood of Christ that that's where your faith has to go but once you get the sin debt paid. That's when you tell the judge I'm going to do the time and once I've done the time I ain't going to steal underwear.

168 No more faith and works not stealing the underwear anymore will keep you from going back to jail but it won't pay the debt that's what the Bible says when it says. We're not saved d by works because nothing you can do now will save you except the Passover Lamb yeah. Right you got to have faith in that lamb but imagine with me tonight sister. Tess if you were on death row and you're getting ready to die for whatever crime you've committed.

169 And it's just a day or two before they're going to execute you and and they have mail call that day and they call you your name and they bring you your mail and there's a big legal letter. There. From the governor of your state you open it hurriedly and it says test ball upon my authority. I hereby Grant you clemency from this crime and from this debt this death sentence that you have all of a sudden.

170 You owed a debt that you owed a debt you couldn't pay yeah. But the governor Paid a Debt. That day he didn't know that's Grace that's right but do you think he granted you clemency. So you can walk out of the jail now and go do the same thing all over again.

171 No the purpose of Grace was to make you so thankful that you obey the law now because of Grace Hallelujah. We don't obey God's law to be saved. We obey it because we're saved saved fruits of yes and this is the purpose of the Passover. Someone read that for me Revelation 2 And1 have an ear let him.

172 Whoever has an ear let him hear what the spirit says to the churches one who overcomes will I will not be hurt by the second death. Yes he that overcomes will get passed over when does this fifth. Passover happen that's at the seventh trumpet the last Trump of God. The fifth Passover ain't happened yet let's read.

173 Revelation 20 and6 blessed and holy is the one having part in the first resurrection. The second death possesses no authority over these but they shall be Saints of Yahweh and a messiah shall re with him. A thousand years they won't get the second death. Do you do you know what we come here next Tuesday night and the following whatever it is to celebrate do you know why we do it do you know why we don't just believe in the Passover Lamb.

174 Do you know why we come and act it out because we understand that we've got to imitate Jesus Christ and he came every Passover and kept the Passover and so we come with him on that same night and this Sunday night I'm going to go so much deeper with this and show you beautiful things from this from the scripture Revelation 2014. Who's got it read it Sister Laura. I'll come to you next son8 2014. 2014 said got wrong one you got it son read it.

175 Revelation 20 and4 then death and Hades were thrown into the Lake of Fire. The Lake of Fire is the second death everyone that doesn't get passed over is going into the Lake of Fire to be burned up. It's coming Revelation 21 and8 sister Justina read but the fearful and unbelieving and the Abominable and murderers and Horn mongers and Sorcerers and idlers and all liars shall have their part in the lake which burth with fire and brimstone which is the second death. That is the second death without a Passover Lamb.

176 That's where you're going do you not get it only with the Passover. Lamb do you bypass that second death. That's why the Passover hadn't happened yet quickly now before I go tonight and this is my final scripture brother Vine I would keep the Passover if I saw it in the New Testament that it was a requirement well. Let me ask you this if I can show you tonight someone in the New Testament that 60 years after Christ supposedly fulfilled it was still keeping it would that do anything for you let's read it acts 18 verse 21.

177 This is the Apostle Paul and he's preaching a Revival somewhere and he shuts it down and here's what he says acts 21. I'm sorry acts 18 and 21 who's got it quickly okay sister Justine I'm sorry. I didn't hear you go ahead but farewell saying I must be all means keep this Feast that cometh in Jerusalem. But I will return again unto you if God will and he why did Paul shut the Revival.

178 Down cuz he said said nothing can stop me from keeping the Passover 60 years after Jesus was dead by all means. I got to get to this Passover but Paul you're the one that's been teaching us. It's all Grace. Now we don't need to do any of this.

179 What do you mean you've got to go keep. The feast come on is anybody with me yes is your ey opening at all. Paul said I will not miss I'll stop. He said I'll stop the move of God in this revival to go keep that Feast why he understood that a true move of God is obedience among the people of God.

180 We'll have Revival here. Tuesday night why obedience will be on full display. We will show up on the exact date at the exact time because we're celebrating the Passover still to come amen all right real quick questions and answers. I'll take about three questions tonight and answer them.
