The Cle Elum Eagles #649 scholarships are awarded to graduating seniors who are planning to continue education in post-high school vocational or academic curriculum.

This scholarship is intended to assist any student in attaining the educational requirements leading to a:

1. Certification of vocational competence from a state licensing office, or
2. Journeyman license when supplemental to an apprenticeship program, or
3. Degree from a state recognized junior college, or trade school, or
4. Certificate of Completion from a school recognized and accepted by the Scholarship Committee: such as, college of ministry, barbering, meat cutting etc.

Candidates will be evaluated and the scholarship recipient will be selected based upon answers given to questions in the application.

Scholarship grants will be sent to the trade school selected by the recipient, and must be submitted to the Eagles by the last day of June of the following calendar year (June 30, 2025). Proof of registration from both the institution and the recipient must be submitted to the Scholarship Committee at the address listed above.

Thank you for your interest,

Cle Elum Eagles Scholarship Committee
