Dear Academy360 Community,

Six individuals from the Upper School (Livingston Campus) tested positive for COVID-19 on 12-23-21. Any student or staff that has been in close contact with these people has been notified and any unvaccinated close contacts have been quarantined. Three of these cases are linked to the other cases we recently reported and three are not linked. Please continue to monitor your email throughout the break for any additional updates.

Should you have any questions about this matter, please feel free to contact your building administrator, Lynn Muir.

Thank you,
Ken Berger
