

Greetings (**Wildcat Student-Athletes & Parents**),

We are excited to announce that starting Fall of 2024 we will be a full partner with BOUND, a full-scale athletic, activities, and facilities management system. This partnership will create a seamless and engaging experience for all Wildcat stakeholders - all of our schedules, ticketing, scores and standings will be in one location!

BOUND Public Website - To get you started, click on the following link (be sure to bookmark this page). This is the landing page for (**Wildcats**), families, fans and students. You and your family will be able to get everything you need from this one site!

(School Public BOUND Link Here:) <https://www.gobound.com/mi/schools/alpenahs>

Athletic Registration - To get your athlete(s) registered for the fall sports programs, click on the 'Registration' link at the top of the **Wildcats** Bound public site. You can also click on the QR code on the attached Activity Registration flier.

From here, you will be able to connect your family (parent and student accounts), enter or update all important demographic information, upload your current physical, sign off on all of the required documents for participation, and register for the sports your athlete(s) intend to participate in this school year.

Here is a step-by-step document to get you started on the Athletic Registration process:

Part of the registration process is to search for your student under **Alpena**. Because this platform is new to us if you do not find your student in the search field - go ahead and choose **ADD STUDENT MANUALLY** at the bottom of that pop-up window. Then add your student and proceed with Registration.

Notifications - As parents or guardians of active high school & junior high students, you need to keep up with any changes or adjustments to schedules in real-time. By utilizing the

“Notifications” feature in Bound, you will be able to sign up to receive notifications of changes, postponements, or cancellations in scheduled events. At the top of the **Wildcat/Alpena** Bound public site, notice the green “Notifications” button below our mascot. This button is located in the same location on each page as you navigate from activity to activity.

If you want school-wide notifications, click on this button on the Home screen and sign up - name, email, phone number and what notifications you would like to receive. From there, navigate to the activities your student(s) are participating in or ones you want to follow and do the same. For example, if you want girls tennis notifications, you will click on Activities and tennis. Once you land on the tennis home page, click on the ‘Notifications’ button and sign up for notifications specific to tennis. Repeat this process for any activities you need to stay up to date and in the know!

Schedules, rosters, stats...and more - We would invite you to take a test drive around the site while you are there. Click on the links at the top of the page you’ll see all of the athletic, fine art, and school activities we offer here at **Alpena High School & Thunder Bay Junior High**. This site will be your one stop shop for your family’s athletic and activities information and resource needs.

Tickets and Passes Information - We will be utilizing cashless ticketing options for the upcoming 24-25 school year. **Alpena Public Schools** is excited to offer this option and make the gate admission process easier and more convenient for our families and students. We will be offering several admission pass options to help you and your family save money all year long at our home events. When we say cashless - we mean cashless. You can pre purchase your passes or individual tickets online ahead of time OR make use of our credit/debit card readers at the gate. No more scrambling to remember to stop by the gas station on the way to the game to get cash...use your card or Apple Pay at the gate. Click on “Ticketing” at the top of the **Alpena Public Schools** Bound public site to begin your ticketing experience today.

We are excited for our partnership with BOUND, and we look forward to working with you and your student(s) to make the coming school years the best ones yet!

Please reach out to our Athletic Office if you have any questions.
