

Mission Trip 2026

Dates – May 29 - May 31 (Hico / Waller / Galveston)

While our mission trip is not the main focus of our ministry, it is an important component of what we seek to accomplish. While we want for every student to participate in the mission trip, we know that not all will be able to. However, in order to make sure that there is a strong commitment to the ministry, we are setting some requirements in order for students to be able to be a part of our mission team in the spring. ***We hope every student will continue to participate in youth choir even if they are unable to be part of the mission trip! Our ministry is more than just a mission trip. We are dedicated to training students to sing / understand and read music / lead in worship / serve / memorize Scripture /and learn to share their faith!***
