Keywords: *3-6 word*

Abstract: *contains the issue and focus of community service, subject of devotion, the purpose of community service, methods / approaches / strategies of community service research, and the results of community service (maximum 150 words).*
(Cambria, size 11 font Italic)

Introduction (Cambria, size 13)

Contains a description of the situation analysis or objective conditions of the subject of community service (assisted community), issues and focus of service, reasons for choosing community service subjects, and expected social changes or community service goals supported by qualitative and quantitative data, and supported by a relevant literature review. Writing citations and references using the American Psychological Association (APA) model (Sixth Edition)(Harijanto et al., 2022; Luthfiany et al., 2022). We recommend using Mendeley, Zotero, EndNote, or Applications provided by Microsoft Word in the References Tab.

Method (Cambria, size 13)

Contains a description of the process of joint community action planning (community organizing). In this case, it is explained who is the subject of community service, place and location of community service, involvement of assisted subjects in the process of community planning and organizing, research methods or strategies used in achieving the expected goals and stages of community service activities. The planning process and strategy/method used a flow chart or diagram. (Cambria, size 12, Spacing: before 6 pt; after 6 pt, Line spacing: 1.15)

Figure Example:

Figure 1. Diagram Examples

(Figure must be numbered, for example: *Figure 1.* Diagram examples. Image captions (number and title of images) placed in the bottom center)

Result (Cambria, size 13)

Contains a description of the results of the community service process, namely an explanation of the dynamics of assistance process (a variety of carried out activities, forms of technical action or program action to solve community problems). It also explains the emergence of expected social changes, for example the emergence of new institutions, changes in behavior, the emergence of local leaders (local leaders), and the creation of new awareness towards social transformation, and so on. (Cambria, size 12, Spacing: before 6 pt; after 6 pt, Line spacing: 1.15)

Table Example:

(The table must be numbered, for example: *Table 1.* Descriptive Statistics. The table description (table number and title) is placed in the top center)

Tabel. 1 Descriptive Statistics

N	Minimum	Maximum	Mean	Std. Deviation

Discussion (Cambria, size 13)

Contains a result discussion description of community service, theoretical discussion that is relevant to the findings of community service. Also discuss the

theoretical findings of the service process from the beginning until the social changes occur. The discussion of the results of community service is strengthened by references and theoretical perspectives that are supported by relevant literature reviews. Writing citations and references using the American Psychological Association (APA) model (Sixth Edition)(Harijanto et al., 2022; Luthfiany et al., 2022). We recommend using Mendeley, Zotero, EndNote, or Applications provided by Microsoft Word in the References Tab.

Conclusion (Cambria, size 13)

Contains a description of result conclusions toward community service in the form of theoretical reflection and recommendations. (Cambria, size 12, Spacing: before 6 pt; after 6 pt, Line spacing: 1.15)

Acknowledgements (Cambria, size 13)

Contains descriptions of acknowledgments or acknowledgments to parties (individuals or institutions) who are directly or indirectly involved in the success of community service program activities. (Cambria, size 12, Spacing: before 6 pt; after 6 pt, Line spacing: 1.15)

References (Cambria, size 13)

(References writing should be according to American Psychological Association (APA) model (Sixth Edition). We recommend using Mendeley, Zotero, EndNote, or Applications provided by Microsoft Word in the References Tab.
