PENVELO

FALL/WINTER ADVENTURE SERIES

As we venture into the late Fall and early Winter, we're ready to change gears and do some rides that focus on fun, new experiences, and chances to get to know your teammates better. To this end we've come up with a new fall/winter adventure series that will take us down some less travelled paths, lead us over some dirt and gravel, and slake our collective thirst for miles, camaraderie, and adventure. Each week will bring something great and new, so come out for 'em all! While participation is its own reward, as an additional incentive every PV member who completes the entire series will have the choice of a commemorative custom stem cap, a Merckx-style selfie head tube decal, or a short individualized poem extolling your virtue.

Come on out and have some fun and get to know your teammates!
