The Warfront

Bad To the Bone Guitar Riff

Army/horde of meme demons charge at a human held fortress.

"Aim to kill boys! Aim to kill!!!"

Human soldiers use weapons that existed after the protestant reformation, and after the war known as "War World 2". The demons number in the billions. They swarm over the land and attack the writing team turned military unit.

"What the dog doing?"

Human artillery shells liter the ground, explosions everywhere.

"Let none survive!"

"I, am Steve."

"Sir there overwhelming us!"

"It's pronounced their private, say it right."

"Their eating my leg! Ahahahahahaa."

"Now that would be they're."

"I am inevitable."

"God their numbers are infinite! And I don't mean the song by Eminem named infinite, I mean the number- agh it has my arm!"

"I'm in the Thick of it everybody knows."

"God save us, they are using the thick of it."

"They know me where it snows, I skied in and they froze.
I don't know no nothin' 'bout no ice, I'm just cold
Forty somethin' milli' subs or so, I've been told"

"Bring in the grammar cannons!"

Bad To the Bone Guitar Riff

"Yes sir!"

Cannons are wheeled with, firing words into the crowd of demons to stun them.

"I'm in my prime but this ain't even final form
They knocked me down, but still, my feet, they find the floor
I went from living rooms straight up to sold-out tours.
Life's a fight, but trust, I'm ready for the war."

"We need reinforcements!"

"Whoa-oh-oh
This is how the story goes
Whoa-oh-oh
I guess this is how the story goes
I'm in the thick of it, everybody knows
They know me where it snows, I skied in and they froze
I don't know no nothin' 'bout no ice, I'm just cold
Forty somethin' milli' subs or so, I've been told."

"We need to use the nuclear option!"

"From the screen to the ring, to the pen, to the king
Where's my crown? That's my bling
Always drama when I ring
See, I believe that if I see it in my heart
Smash through the ceiling 'cause I'm reachin' for the stars
Whoa-oh-oh
This is how the story goes
Whoa-oh-oh
I guess this is how the story goes
I'm in the thick of it, everybody knows
They know me where it snows, I skied in and they froze (woo)."

"MY EARS (Screams in agony)."

"MY EYES."

"I don't know no nothin' 'bout no ice, I'm just cold
Forty somethin' milli' subs or so, I've been told
Highway to heaven, I'm just cruisin' by my lone'
They cast me out, left me for dead, them people cold
My faith in God, mind in the sun, I'm by the soul (yeah)
My life is hard, I took the wheel, I cracked the code (yeah-yeah)
Ain't nobody gon' save you, man, this life will break you (whoa-oh-oh)
In the thick of it, this is how the story goes."

"Fire the logical dance demon killers! Now get them thrown into the battle!"

I'm in the thick of it, everybody knows
They know me where it snows, I skied in and they froze
I don't know no nothin' 'bout no ice, I'm just cold
Forty somethin' milli' subs or so, I've been told
I'm in the thick of it, everybody knows (everybody knows)
They know me where it snows, I skied in and they froze (yeah)
I don't know no nothin' 'bout no ice, I'm just cold

Whoa-oh-oh (nah-nah-nah-nah, ayy, ayy)

"1+2=3 like me, like a tree, let it be, lemme see the letter D, next to C, next to Z,

me knee, and I said Z let it be that's my knee not a tree, and she said oh sorry me, I thought you were Lee, since your drinking that tea next to me letting it be 1+2=3 with some glee. Hmmmmm that's not very glee see me be tea Lee CDZ trees."

"IT IS I, BEN DOVER! I HAVE COME TO ANNIHILATE THE DEMONS."

Ben Dover used his super powers to shoot beams of light at the demons, destroying many.

"POOPY-DI SCOOP

"First they played thick of it and now loft yourself? Nah, we are cooked."

"Oppa Gangnam Style"

"Writing team! What is going on!

"The end of earth has begun. Society will collapse in thirty minutes. This war is sponsored by RAID SHADOW LEGENDS, A MULTIPLAYER MOBILE GAME THAT LETS YOU PICK YOUR CHAMPIONS AND LEVEL THEM UP."

"WHAT the **NAPOLEON** IS GOING ON."

"According to all known laws
of aviation,

there is no way a bee
should be able to fly.

Its wings are too small to get

its fat little body off the ground.

The bee, of course, flies anyway

because bees don't care
what humans think is impossible.

Yellow, black. Yellow, black.
Yellow, black. Yellow, black.

Ooh, black and yellow!
Let's shake it up a little.

Barry! Breakfast is ready!

Coming!

"RAID SHADOW LEGENDS. Raid? Raid we raid is spades, I laid down in my bed to watch an anime about maids, wanna trade? Kinda laid back tonight, my friends been plotting to raid my fridge, trying to steal when I made when watching my maid show, which aided me when I made my lemonade, not gonna trade, pulled out the ten of spades, laid it down in front of you peekaboo. Haven't changed my shirt since 63, didn't check my grades since the first Stock exchange, I know my rapping have a lot of range, but it's pained because I'm in pain because we're all kinda lame, tame, the same and life is just one silly little game, that's one way to be framed, never been maimed but I haven't told you about a game named raid, now I never paid for raid I just stole the game from their book frame kinda tame frame game. What other words start with ame? Wait no it's end"

"Hang on a second.

Hello?

- Barry?

- Adam?

- Oan you believe this is happening?

- I can't. I'll pick you up.

Looking sharp.

Use the stairs. Your father
paid good money for those.

Sorry. I'm excited."

"RAID SHADOW LEGENDS."

"My name is Walter Hartwell White. I live at 308 Negra Arroyo Lane, Albuquerque, New Mexico, 87104. This is my confession"

"RAID SHADOW LEGENDS.

"I don't like 'em putting chemicals in the water that turn the friggin' frogs gay!"

"RAID- wait... memes are you being homophobic? If so I'll unleash the beast. My rapping has been weak, but let me turn peak."

"Stand back mortals!"

"You're so weak, I'm sleek, you have a goofy ah beak, your futures mighty bleak, bleeding out in a creek, you're weak and meek, I seek wisdom, you leak boredom like your name is Jordan, I'll run towards them.

Towards them,

I'm like Eminem in Denim gonna shred em with my venom gonna spend em what I lend them till they need to mend their end in a blend of rend and suspend.

Ayo yo get a load of this, the homophobes are blaming chemicals for layer toads, they run around in circles in their right wing roads, now listen to this train of

thought from my brain, maybe the chemicals would be washed out by the rain?
What pain. Y'all are lame."

"Stay tuned for the next chapter of the main character, coming to theaters now. Yes that's right, chapter 7 is out, you can thank me for that, Mr. Ben Dover."

"Do you like JazzZzz?"

"To the warfront once again!"
