

- This is for 6th grade
- This is for parents to look at and have a general idea what I have planned for the students that month. Students can look at it too if they want to know the important dates
- The main reason for this newsletter is to inform the parents of the important dates I have set up for the students. It gives them a heads up of when the test and final project is due. Even informs them of fun events planned like the pj day, nature walk, and the review party.
