Dear Managers and Coaches,

Congratulations on representing your District in the Georgia State Little League Softball Tournaments. We are pleased to have Warner Robins American Little League as our 2026 host and trust you will enjoy your stay in the Warner Robins area.

The facilities at Warner Robins American are excellent. The staff will take care of your needs and the concession stand offers a variety of ball park food.

Please come prepared to the Managers' Briefing on Monday at 3:30 pm at the Southeast Region Training Room. It is across the street from the stadium. Park in the stadium parking lot and walk across to the office. Have all your tournament paperwork in order and your pitching affidavit from your District Tournament filled in and signed. You will turn it in at the Manager's Briefing, and it will be reviewed as required.

We look forward to an exciting week of softball. It is credit to your dedication and time that you have taught your players to work together, play together and hopefully to have some fun in a relatively short span of time. However, the tournament should end for your team, the memories of this experience will stay with your players for years to come.

Ultimately only one team will become the Georgia State Champion. Our Little League State Champion will represent Georgia at the Southeast Regional Tournament or Tournament of State Champions.

Win or lose, every one of you are winners and champions. These young ladies should come away from these games with the winning attitude that they played their best and had fun.

We look forward to working with each of you throughout the tournament. Good luck and have fun!

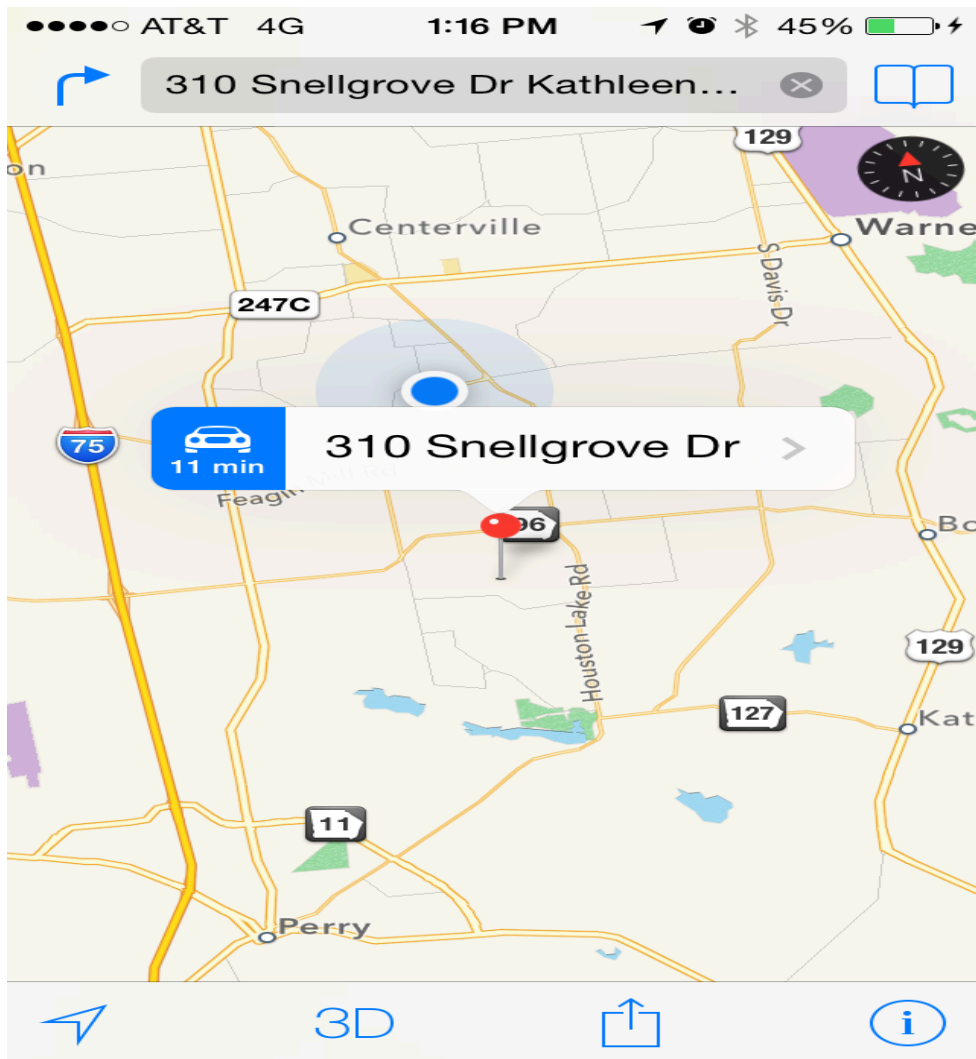

Sincerely,

Roman Jones, DA GA D5
