

MISSION ACCOMPLISHED! REPORT ON TABITHA BULGARIA FOUNDATION' S CHRISTMAS CAMPAIGN 2024

HAPPY, HEALTHY AND PROSPEROUS 2025 TO ALL OUR DONORS, SUPPORTERS AND FRIENDS!

We are happy to inform you that Tabitha Bulgaria Foundation successfully completed 2024 Christmas campaign! More than 30 social institutions with nearly 600 children and young adults received presents, food and fun for Christmas and the New Year.

Tabitha Bulgaria's Christmas campaign would have been impossible without the generous help from our donors, volunteers and friends, their efforts, kind understanding and commitment to the Bulgarian underprivileged children and people. Regardless of the financial crises, the soaring inflation, the political restlessness we still managed to cheer up many destitute children and young adults. Another 75 low-income senior people from Roman and the region were supported with winter packages, Christmas party, presents and fire wood.

In the last 15 years **Stitching Promoties** considered the Bulgarian underprivileged children needs for the Christmas holidays and allocated money for the yuletide. Without their generous financial support, we would not have been able to launch the Christmas campaign. As ever we are especially grateful to **Maarten Koel** for his kind heart and personal involvement in the Christmas campaign for the social homes in Botevgrad, Borovan, Dren, Dupnitsa, Mezdra, Pleven, Roman, Samokov, Stara Zagora, Vratsa and Sofia.

As ever we had the continuous support from **Tabitha Netherlands Foundation** which made all activities possible. We would like to acknowledge the 25-years of support from **Tabitha Netherlands**. The help of our **families and friends** was greatly appreciated
