

Colorado Community College System
Relationship-Based Mentoring & Coaching Course Offerings
EDU 2251 and EDU 2255

While any college within the Colorado Community College System has the option to offer these courses, **not all colleges do so every term**. Currently, the colleges that consistently offer these courses are Red Rocks Community College (RRCC), Arapahoe Community College (ACC), Morgan Community College (MCC), and Northeastern Junior College (NJC). Some colleges may offer these courses in fully online, hybrid, or in-person formats. Please check directly with the college for specific course offerings and formats.
