ORGANIZATION HOSTS RALLY

SUPPORTING EARLY INTERVENTION IN ILLINOIS

WHAT:

ORGANIZATION is partnering with [Raising Illinois](#) to host a rally supporting Early Intervention (EI) in Illinois. EI provides critical services to children under the age of 3 who have or are at risk for significant development delays and disabilities – but families are waiting for services they are legally entitled to due to a workforce crisis.

This rally will be an opportunity to hear from families and providers about the impact and importance of Early Intervention and for community members to learn what they can do to ensure the importance of this work is reflected in the FY26 budget.
