You can make an Old Fashioned with brandy, bourbon, scotch or rye. But we believe that the Old Fashioned is best crafted with some high proof bourbon as the base.</p> <p>When you select your Old Fashioned cocktail gift basket, we can work with you for the kind of liquor you would want.</p> <p>We always include <b>tasting notes along with your Old Fashioned gift set</b> so that your giftee can appreciate the finer nuances of this drink.</p> <p>Our notes allow for an interesting exploration into the history of Old Fashioned and everything that makes this a cherished cocktail.</p>
<p><b>H3:</b> Fresh Fruits For Your Old Fashioned Cocktail Gift Basket</p> <p>You can complement your Old Fashioned gift basket with our seasonal and fresh fruits.</p> <p>At 180 Drinks, we source organic fruits where possible.</p>	<p><b>Picture</b> <a href="https://drive.google.com/file/d/1Pio_wRBPvYmlp0aGaSBfnNwV7NJ3d4X/view?usp=sharing">https://drive.google.com/file/d/1Pio_wRBPvYmlp0aGaSBfnNwV7NJ3d4X/view?usp=sharing</a></p>

<p><b>H3:</b> Citrus Notes for Old Fashioned-Based Cocktails</p> <p>The Old Fashioned has remained popular over the years because it's relatively simple. Some mixologists and bartenders may muddle orange and lemon segments into Old Fashioned cocktails.</p> <p>We add fresh citrus fruits to our Old Fashioned cocktail gifts.</p>	<p>Pictures <a href="https://drive.google.com/file/d/1igxAK8DbMYdHe3EHyvctGAqOf5uFQ6PG/view?usp=sharing">https://drive.google.com/file/d/1igxAK8DbMYdHe3EHyvctGAqOf5uFQ6PG/view?usp=sharing</a></p>

A sweetener adds a subtle sweetness that opens up the bourbon or rye aroma.</p> <p>Traditionally a sugar cube is often used as sweetener, however this is difficult to dissolve. Instead we prefer syrups as these dissolve quickly and evenly. A simple sugar syrup works well but we can also add honey or maple syrup to your gift.</p>

	<p>For our Old Fashioned drink gifts, we use syrups that are free from artificial flavors, colors, preservatives, and sweeteners.</p>
<p><b>H3:</b> Bitters For Your Old Fashioned Gift Pack</p> <p>The Angostura bitters are the most common bitters used in making this cocktail. This is a safe option that reproduces the original flavors of the Old Fashioned. Bitters add complexity and dimension to the bourbon or rye or Scotch and just two dashes will do the trick.</p> <p>However, if you are looking to experiment further, changing the bitters can bring in interesting and unusual flavors. Your giftee may appreciate it!</p>	<p><b>Picture</b>  <a href="https://drive.google.com/file/d/1HM1qfmOMRszWY0nJrX76YAnHtP8g5E70/view?usp=sharing">https://drive.google.com/file/d/1HM1qfmOMRszWY0nJrX76YAnHtP8g5E70/view?usp=sharing</a></p>

Occasionally, maraschino cherries work well too.</p>
<p><b>H3:</b> Ice For Your Old Fashioned Gift Set</p> <p>The Old Fashioned is a cocktail meant to be sipped and savored slowly. Adding poor quality ice can ruin this experience, turning the drink into a watery mess. Avoid small ice cubes to your Old Fashioned cocktail.</p> <p>We can add in large ice cube trays that create ice that melts slowly, allowing the flavors and aromas of the drink to reach its fullest expression.</p> <p>The proper ice helps achieve a silky, viscous texture that makes this drink hugely popular.</p>	<p><b>Picture</b>  <a href="https://drive.google.com/file/d/166L4dqEc8XmhLNCwITaHmEy4pcZlaV/view?usp=sharing">https://drive.google.com/file/d/166L4dqEc8XmhLNCwITaHmEy4pcZlaV/view?usp=sharing</a></p>
