✝ The Lord Is My Shepherd

The Lord is my Shepherd, He takes care of me
He leads me to green grass, so happy I'll be
He walks right beside me wherever I go
My loving good Shepherd, He loves me so

The Lord is my Shepherd, I will not fear
Jesus is with me, always near
He guides my steps, day and night
My Shepherd leads me in His light

When I feel lonely, when I feel small
My Shepherd is with me, He hears when I call
He gives me His peace and shows me the way
My Shepherd will guide me every day

The Lord is my Shepherd, I will not fear
Jesus is with me, always near
He guides my steps, day and night
My Shepherd leads me in His light

Thank You, Jesus, for Your love
Watching over me above
My good Shepherd, kind and true
Jesus, I will follow You

The Lord is my Shepherd, I will not fear
Jesus my Shepherd is always near
He leads my heart, shining bright
My Shepherd, my Savior, my guiding light
