

Parents of 2025-26 seniors,

Please look over this information carefully concerning senior portraits. The Fayetteville School District has changed photography companies that it uses for school pictures. We are now using **Strawbridge Photography**. There are some changes in how we are conducting senior portraits from how it has been done for the past several years, so please read over this information contained in the links carefully.

Your senior will have 3 time windows to take their senior portraits. The first times are July 7-11 in the FHS Performing Arts Center. The second dates are August 4-5 in the 2nd floor, Phase 3 OPL at FHS. The final opportunity will be September 18 in the PAC. There are **two very big changes** from the past. First, **students who would like the opportunity for several poses – cap and gown, informal portraits, etc. – can only do this in the first two time windows of July and August**. When we have the final senior picture day on **Sept. 18, it will be a yearbook picture pose only**, not even a cap and gown picture will be available at that time. Second, **there will be a \$40 sitting fee if you choose to have several poses**. If you only want a yearbook photo, even in the July and August windows, there will be no fee. Please look carefully at the links, one link is for the poses and has a sitting fee and another link is to sign up for a yearbook-only picture for free.

Although **to appear in the yearbook students have to take a picture with Strawbridge Photography** due to deadline considerations, there are quite a few local photographers who take senior portraits with their own price points and sitting fees. Feel free to sign up for a quick, free yearbook picture with Strawbridge and use a different photographer for senior poses if you choose.

ALLPS and FVA seniors: The July and August sessions are open for you to attend. FVA will also be able to come to the high school for the last chance pictures on Sept. 18. ALLPS seniors will have cameras set up at the ALLPS campus on Oct. 7 for a yearbook picture only.

If you have any questions about Senior pictures, please contact Strawbridge Customer Service department via the Live Chat at www.strawbridge.net (available 8am to 5pm ET) or by emailing customerservice@strawbridge.net. You can also contact Miranda Grubbs with Strawbridge at miranda.grubbs@strawbridge.net or 806-773-4545 or FHS yearbook adviser Stephen Teague at stephen.teague@fayar.net.

Please see the links below for additional information and how to sign up.
