

**Palmer Creek Cabin** - Hershy Mine Cabin (L29) The Palmer Creek Cabin/Hatch Bunkhouse is a rectangular one-story log cabin. The bunkhouse measures 13' by 15'. The notching is dovetail, and the spruce logs have evidence of beetle-kill. The front faces south. The one door is narrow. There are three small windows, plus a 5'6" wide north window and an east skylight.
