Battle of the Robots - Discipline Descriptions & Rules

Sample video of gaining points HERE.

Bot Battle

- 1v1
- The umpire records hits, throws, and locks for points
- KO, ruled as 5-0, from forcing the opponent to a KO zone or immobilizing the opponent
- The top 3 qualify for the Final Battle against the Big Bot
- Match duration: 3 minutes
- 1x30 seconds per match to fix technical issues
- Forfeit or no-show: 1-0 for the opponent present

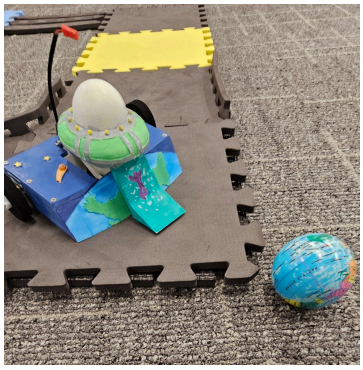

Soccer Bots

- 1v1
- Kick the ball over the goal boundary (orange) for a point

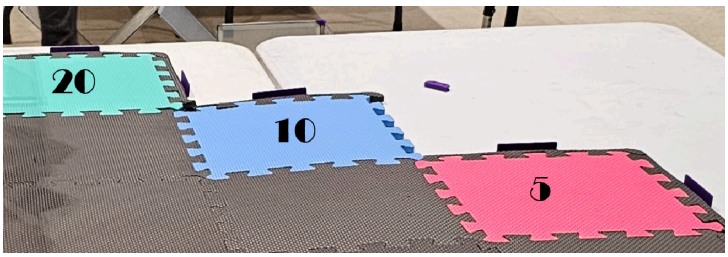

- Negative goals (no orange boundary) in the neutral corners -1 point (the last team to touch the ball gains the negative point).
- Match duration: 3 min
- You can not attack your opponent
- 1x30 seconds per match to fix technical issues
- Forfeit or no-show: 1-0 for the opponent present

Robot Raceway

- Solo
- Fastest time out of three (3) wins
- If you get stuck we wait 5 seconds until we help you
- Optional: collect 5 negative seconds by pushing the ball in the goal at the middle of the raceway with only one try

Bot Golf

- Solo
- Hit the ball once to push it to one of the holes with different point values 5, 10 or 20.
- Number of allowed attempts: 3
- ~~Misses = negative point~~
- Called shot = double points

- Called but missed shot = double called negative points
    - Ball goes off the track = ??? (“Umpire’s Special”)
