

Marketplace of Ideas /Class Evaluation

Think about all aspects of the Marketplace of Ideas; your selection of a topic, your research, the creation of your display, and your discussions with buyers at the Marketplace itself. Now write about all of this (you may combine any or all responses or keep them separate). Please type your responses. They are due to turnitin anytime on or before the last day of class.

- 1) What conclusions have you made about your topic as a result of this project?
 - 2) Of the other topics you saw at the Marketplace, what was the most interesting thing you learned? What topics did you want to know more about? Why? Did you take any actions? If so, what? Why?
 - 3) What were your greatest successes with this project?
 - 4) What were your greatest challenges?
 - 5) Are there things that you would add/change/or do differently in your final project?
 - 6) Overall, do you feel good about the results? Why or why not?
 - 7) Describe your discussions at the Marketplace. Were they interesting and meaningful? Were people interested and engaged?
 - 8) What grade would you give yourself on this project and why? (You may NOT say that you spent a lot of time and worked really hard in your justification)
 - 9) What advice would you give another student who is planning a project similar to yours?
 - 10) Any thoughts about the Marketplace of Ideas overall?
-
- 11) Thinking about the class overall, what did you like? What did you dislike? Which units were most interesting-why? Which were least interesting-why? What would you change about the class-how and why?
 - 12) Think about the materials from class-which documents or stories stand out to you (which do you remember)? Why are those the most memorable?
 - 13) Think about the films watched in class-which stand out to you (which do you remember)? Why? Are there any that you think others should see? Why? Are there any that shouldn't be shown? Why?
 - 14) What additional topics do you think should be covered in class and why?
 - 15) How would you evaluate the use of blogs? Would you make more use of them? Less? Would you use them differently? Are you going to continue to blog?
 - 16) If someone asked you what you learned in Issues, how would you respond?
 - 17) What grade would you give yourself for this class and why?
