

## Configure Catalog Header and Footer Links

We have a new tool that libraries can use to customize the header and footer links in the library catalog. The first step is for the library director to designate one or more staff members who should have the authorization to use the tool for their library.

If that's you, you'll log into this new tool using your Evergreen login and password, and will see separate grids for the header and footer links, showing the ones that are currently configured. There are six links on the top bar and four on the bottom bar for each section. You can update the link text and link URL to modify or replace what's listed, add new links, or click on None to remove the link. (**None** should be checked for all intentionally blank links.)

[Header/Footer login link](#)

Here are some suggestions for things you might want to add or customize:

- Replace NOBLE OverDrive with your Advantage curated page
- Replace NOBLE Digital Heritage with a link directly to your historic collection
- Add a link to a contact form for your library
- Add links to specific local services and resources: your events calendar, your databases page or a specific resource, a link promoting an upcoming program or event (which you can remove or replace at the appropriate time)
- A scheduled "Bookbag" link to new items, easy to set up in the List Maker ([Example](#))

## Header Links

#	Link Text	Link URL	None
1	Beebe Library Website	http://www.wakefieldlibrary.org/	<input type="checkbox"/>
2	OverDrive	https://noble.overdrive.com/noble-wakefield/content	<input type="checkbox"/>
3	NOBLE Digital Heritage	https://digitalheritage.noblenet.org/wakefield/	<input type="checkbox"/>
4	Mass. Statewide Catalog	https://commonwealthcatalog.org/home/?cid=massvc&lid	<input type="checkbox"/>
5	List of NOBLE Libraries	https://www.noblenet.org/libraries/	<input type="checkbox"/>
6	Keep Me Safe Collection	https://wakefield.noblenet.org/eg/opac/bookbag?bookbag	<input type="checkbox"/>
1			<input checked="" type="checkbox"/>
2			<input checked="" type="checkbox"/>
3			<input checked="" type="checkbox"/>
4			<input checked="" type="checkbox"/>

## Footer Links

#	Link Text	Link URL	None
1	NOBLE Web	https://www.noblenet.org/	<input type="checkbox"/>
2	OverDrive	https://noble.overdrive.com/noble-wakefield/content	<input type="checkbox"/>
3	NOBLE Digital Heritage	https://digitalheritage.noblenet.org/wakefield/	<input type="checkbox"/>
4	Mass. Statewide Catalog	https://www.noblenet.org/comcat/	<input type="checkbox"/>
5	List of NOBLE Libraries	https://www.noblenet.org/libraries/	<input type="checkbox"/>
6			<input checked="" type="checkbox"/>
1			<input checked="" type="checkbox"/>
2			<input checked="" type="checkbox"/>
3			<input checked="" type="checkbox"/>
4			<input checked="" type="checkbox"/>

After you edit the links in the grid, you should click on the **Preview on Training** to see how your links look on the training system, and to click on the links to test them. If you find problems, you can return to the grid and make changes. Once you are satisfied, you can click on **Update Production Links** to make your customized header and footer live. If you don't want to make the links live, you can click on **Reset to Current**.
