

CAPTION OPTION 1

Looking for a career change? Curious to see where your skills could take you?

The Startmate Women Fellowship is a two-month program that helps ambitious women find their dream job in a startup. Read more about the Fellowship and apply before August 14 here: <https://www.startmate.com/women-fellowship>

CAPTION OPTION 2

We may be biased, but we're convinced there's a better way to spend your 9-5, and startups are the best place to truly scale your impact.

If you're an Aussie or Kiwi woman looking to launch a meaningful career in startups, the Startmate Women Fellowship is the place for you! Read more about the program and apply before August 14 here: <https://www.startmate.com/women-fellowship>

CAPTION OPTION 3

If you're looking for a career change, are curious about startups, and want to join a community of incredibly ambitious and talented women, then the Startmate Women Fellowship is your place!

Read more about the program and apply before August 14 here: <https://www.startmate.com/women-fellowship>
