

**Subject Line: Here are your 5 traits to success**

We have spoken to men at the top of their game, broken down the data into the 5 most successful traits women want in a man.

Seeing this is no coincidence, it is what you've been looking for. In effect, the answer..Your answer has found you!

Included is the single most must have trait for getting a woman's attention on a night out!

Any man can develop these traits, to have any woman be seduced by your mere presence.

Click on the [link](#) to up your game.

Number 5 is obvious, but do you do it?
