Outline for TEEP Report

1. Why did you join the internship?
(e.g., To gain hands-on experience, apply classroom knowledge, explore

research work.)

2. What were your main tasks?
(e.g., Assisted with experiments, data analysis, participated in lab meetings.)
3. What did you learn or improve?
(e.g., Lab techniques, critical thinking, teamwork, time management.)
4. How did you feel about the experience?
(e.g., It was challenging but rewarding, I gained confidence in research, I want to continue in this field.)
