This is a 45-minute program with limited space available on a first-come, first-served basis. Priority will be given to teachers who actively volunteer their time (e.g. for those currently serving on the board).

If you've sent 5 or more students in the past academic year, you will be assigned a duty and ***expect to volunteer your time*** to support the event.

Please ensure that all information on the registration form is completed accurately. Confirmations will be sent a few days before the event.
