

Virtual Food Tour

Country:

--

- Each STOP should contain a **food fact** and at least **one image**.
- Your tour should answer the following questions:
 1. What are the **popular dishes** in general, as well in various regions of the country?
 2. What **specific foods, spices, herbs, and/or cooking techniques** are used in this country's cuisines?
 3. What is grown in various regions of the country, based on **climate and terrain**?
 4. What part does food play in this country's **culture**? (daily life, religion, holidays...)
 5. Is the cuisine **influenced** by the cuisine of other countries? (Ex: the Chinese brought soba noodles to Japan).
 6. How is this cuisine **represented in the U.S.**? What was brought here by immigrants? Where in the U.S. is it most commonly found?
